JENNY AGUILAR

SENIOR, ORESTIMBA HIGH

Jenny is a member of the Newman FFA chapter and is involved in Orestimba leadership. "I really like working with FFA. In Ag honors, we're working on the greenhouse, which is probably the thing I'm most excited for this year."

Last spring Aguilar was the voice for a walk-out in which students spoke out against school violence and emphasized the importance of a safe, positive campus atmosphere. "I gathered everybody together and introduced the walk-out and made sure everything ran smoothly," she said.

Rallies are among her favorite campus activities. "I really like rallies. Spirit Week is really fun because everybody gets involved," she commented.

Jenny contributes her time to youth activities by coaching cheerleading and dance in Ceres for Footnotes Dance Studio, and in Livermore for California All-Stars.
