## RYLEE GARCIA

SENIOR, ORESTIMBA HIGH

Rylee Garcia is a creative Orestimba Warrior. The senior is a member of War Paint, Orestimba's art club which is part of the school's Before and After School Enrichment program. "We create art projects,

work on different kinds of art, and get help on class projects," she stated. Garcia is also a three-year member of the tennis team and has been on the golf team as well. "It's fun. I like the competition, she explained." After graduation Garcia plans to attend Modesto Junior College, where she wants to play tennis and study art. When she's not playing tennis or working on art, Garcia can most likely be found hanging out with her friends or listening to Ed Sheeran on repeat.
