SPOT LIGHT

JILLIAN NUNES

SENIOR, GUSTINE HIGH

Jillian is involved in a number of organizations and activities at Gustine High, including ASB, Renaissance, FFA, Interact, CSF, basketball and volleyball.

She has been involved in dairy judging each of her four years at Gustine High.

Math is her favorite subject, Jillian said, as she has an aptitude for working with numbers.

The former Miss Gustine is also involved in the Portuguese community. She is active in Luso-America dance, and involved in the Gustine Pentecost Society and OLM Society.

After high school, Jillian plans to study child development and pursue a career in speech pathology or special education. She has long had an interest in helping children, Jillian shared, and has found a passion for special education while helping in Barbara Azevedo's classroom at Gustine High.

MOTHER:

Alfred and Lucy Nunes
