

ANSWER THE CALL BE READY TO SERVE

2026 EMERGENCY DISASTER SERVICES REGIONAL TRAINING SUMMITS

THE SALVATION ARMY • KENTUCKY & TENNESSEE

When disaster strikes—floods, tornadoes, ice storms, explosions, or even aviation emergencies—The Salvation Army is there. Our communities rely on trained volunteers to bring help, hope, and healing in their greatest moments of need.

WE NEED YOU.

If you feel called to serve, now is the time to get trained, equipped, and ready.

WHAT ARE THE REGIONAL TRAINING SUMMITS?

Three days of hands on, practical training designed to prepare new and experienced volunteers for real disaster response. Whether you want to serve hot meals from a canteen, provide emotional and spiritual care, or step into leadership roles, there's a place for you. Choose basic, intermediate, or advanced courses—**from Intro to EDS to Logistics, Incident Command, Planning, and more.**
