

Family Buckets for Ukraine

Family buckets filled with daily necessities have met the needs of refugees in other situations over a number of years. These 5-gallon painter grade buckets with lids not only store items but protect them from the elements -- and act as a temporary stool when traveling from place to place.

Filled buckets need to be returned to the Henderson Church of Christ by Sunday, March 27.

Each bucket must be a 5 gallon bucket with a lid and should be filled with ALL the items listed below. Additional small items can be added as space allows.
