

The undersigned, being duly sworn upon his oath, deposes and says upon information and belief that Larry Ali Richmond has committed the offense of Count 1: Murder, a Felony; Count 2: Conspiracy to Commit Murder, a Felony, and in support thereof says as follows:

That this affiant is a Detective with the Evansville Police Department.

On February 26th, 2019 at approximately 1906 hours, officers with the Evansville Police Department were dispatched to [REDACTED] Oakley Street with several reports of shots fired. Officers located the victim, Robert Doerr, laying on the sidewalk just outside of his [REDACTED] Oakley Street residence with an apparent gunshot wound to his head. Through our investigation, it was determined that Robert Doerr had just returned home from work and parked his truck facing west in his driveway prior to being shot. Detectives canvased the 2700 block of Oakley Street and most of the residents reported hearing 5-gun shots. None of the residents reported hearing anything before or after the shots being fired. Witnesses stated they did not see any vehicles leaving the area after hearing the shots. Robert Doerr was pronounced deceased at the scene.

Detective A. McCormick, went to the Coroner's Office and examined Robert Doerr's body along with Deputy Coroner Chris Leduc. Detectives found that Robert Doerr had two gunshot wounds to his back along with a through and through gunshot wound to his shoulder/neck area. Investigators returned to [REDACTED] Oakley Street and observed Robert Doerr's black Ford F-150 had a swipe mark in the dust on the truck near the left rear quarter panel that appeared to move away from the house (east). There was also a projectile recovered in the street just east of where Robert Doerr was located, which would be away from the [REDACTED] Oakley Street residence. No shell casings were recovered from the scene. This may indicate that the firearm used was possibly a revolver. Homes across the street to the east also had damage from gunfire.

It appears Robert Doerr exited his truck and began moving east towards the back of the truck when he was shot twice in the back. He was then struck in the shoulder/neck area as he attempted to get behind his truck. This would indicate the shots would have come from in front of Robert Doerr's truck. There is a side door to the [REDACTED] Oakley Street residence that faces the driveway and is just in front of Robert Doerr's truck. Robert Doerr's wife, Elizabeth Fox-Doerr, reports that she was the only one inside the [REDACTED] Oakley Street residence when the shots were fired.

Elizabeth Fox-Doerr's cellphone was seized by Detective B. Keen and the [REDACTED] Oakley residence was emptied as detectives applied for search warrants for both. A signed judicial search warrant was drafted and signed by Vanderburgh County Judge Fink for Elizabeth Fox-Doerr's phone, also known as "Becky Fox." Her mobile number is (812) [REDACTED] and the carrier for her cellular phone is through Sprint. An extraction was completed on the cellphone associated with (812) [REDACTED]

Investigators applied for and received a signed judicial search warrant for the residence of [REDACTED] Oakley Street. Sergeant W. Hunt discovered a letter written by Robert Doerr to his current wife, Elizabeth "Becky" Fox-Doerr in the dresser drawer of the master bedroom. The letter describes issues of infidelity by comments of "ever since he came back into your life" and "I see his text on your phone." A black Samsung Galaxy S9 was located on the victim, Robert Doerr's person at the scene. The phone was immediately brought to EPD headquarters and an extraction was completed.

On 02/27/19 Investigators attended Robert Doerr's postmortem exam at the Vanderburgh County Coroner's Office. During the exam, a mixture of ammunition was located in the body of Robert Doerr. There was one jacketed projectile and wadding with four buckshot rounds found inside Robert Doerr's body. The mixture of ammunition is consistent with being fired from a Taurus Judge or similar type gun.

Detective J. Hands was given the information about the possible weapon used against Robert Doerr. Det. Hands located a stolen firearm report in EPD Record Management System under case number 18-20615. A Taurus Judge (.45 caliber) was stolen between 07/02/18 and 09/19/18 from River City Pawn Shop, located at 3301 N. First Avenue. Serial number for the gun was CT830690. This River City Pawn shop is in close vicinity of [REDACTED] Oakley Street.

Investigators obtained and served a Subpoena Duces Techum to Sprint Corporation for Elizabeth "Becky" Fox-Doerr phone tolls reference phone number (812) [REDACTED]. On 03/04/19, Investigators obtained the toll records from Sprint. Investigators compared the Sprint records against Elizabeth "Becky" Fox-Doerr's actual extraction on 02/26/19. Investigators noticed that an incoming call from phone number 812-[REDACTED] was only on the Sprint toll report and not on the actual extraction. Detectives believe this call log was deleted from the phone. The duration of the phone call with 812-[REDACTED] was between 1846 hours to 1851 hours on the day of Robert's death. The first call for shots fired at [REDACTED] Oakley Street was at 1905 hours. Phone number 812-[REDACTED] was located in Elizabeth "Becky" Fox-Doerr's phone contacts as Larry Ali.

Investigators searched 812-[REDACTED] in EPD Record Management System. The phone returned to Larry Ali Richmond, Sr.. Larry Ali Richmond, Sr. was sentenced of Murder in Indiana reference cause number 82C01-9606-CF-00621 out of Vanderburgh County. Larry Ali Richmond, Sr. was released from custody on 03/12/18. Larry Ali Richmond, Sr. is currently on Adult Probation in Vanderburgh County. Investigators learned that Larry Ali Richmond is the father of Larry Ali Richmond, Jr who was employed at River City Pawn Shop, located at 3301 N. First Avenue. Larry Ali Richmond, Jr. was also employed at the time of the gun (Taurus Judge) theft at River City Pawn Shop (EPD 18-20615). Investigators also learned that Larry Ali Richmond, Sr is dating and living with [REDACTED] sister, [REDACTED] also known as [REDACTED] or [REDACTED].

On 03/04/19 investigators observed Larry Ali Richmond, Sr. exit [REDACTED] Allens Lane and get into a red 2017 Jeep with Indiana registration [REDACTED]. This vehicle is registered to [REDACTED] and [REDACTED]. [REDACTED] and [REDACTED] are [REDACTED] " [REDACTED] " [REDACTED] and [REDACTED] parents. On 03/04/19 Larry Ali Richmond, Sr. was brought to EPD HQ and placed in interview room number one. Larry Ali Richmond, Sr. confirmed that his phone number is 812-[REDACTED]. Before going further with Larry Ali Richmond, Sr., Detective McCormick read & Richmond Sr. his Miranda advisement. Larry Ali Richmond, Sr. requested an attorney before answering any additional questions.

On 03/04/2019, [REDACTED], also known as [REDACTED] and Amanda Blake was brought to EPD Headquarters for an interview in reference to the murder of Robert Doerr. As mentioned before, a traffic stop was conducted on the red 2017 Jeep Compass ([REDACTED]) that [REDACTED] was driving by EPD Uniform Officers. The BMV registration for the vehicle returns to [REDACTED] and [REDACTED] who are the parents of [REDACTED]. Larry Ali Richmond, Sr. was also in the vehicle along with [REDACTED]'s juvenile son at the time of the traffic stop. [REDACTED] and Richmond, Sr. were removed from the vehicle. A black apple iPhone ATT smartphone, IMEI: [REDACTED], phone number: (812) [REDACTED], with a black rubber / plastic Otterbox protective case, screen protector with crack and air bubble in upper left corner and crack in the lower right corner was located in the front passenger seat where Richmond, Sr. had been sitting. A silver ANS Silverback Sprint Smartphone Model UL40, FCC ID: 2ALZM-UL40, IC: 22735-UL40, MEID HEX: 99001266319781, MEID DEC: 256691875803250049 was later located on Richmond, Sr. person by EPD officers. [REDACTED] told investigators that Larry Ali Richmond, Sr. is her fiancée and sometimes stays at her [REDACTED] Sheffield Dr. residence.

[REDACTED] initially informed detectives on the 4th of March that Richmond Sr was with her the entire night on February 26, 2019. [REDACTED] would later confirm to detectives that Richmond Sr was not with her when the murder of Robert Doerr occurred. [REDACTED] mentioned that she was out looking for Richmond Sr. [REDACTED] then signed a consent form on March 6, 2019 and allowed her cellular phone, black Samsung bearing IMEI 359617082222231, to be extracted. [REDACTED] had messaged Larry Richmond Sr. the night of the homicide.

Additionally, on 03/04/2019, detectives brought Larry Richmond, Jr. to the Federal Building for questioning in reference to the murder of Robert Doerr. Richmond, Jr. was read his Miranda rights prior to any questioning. Larry Richmond, Jr. gave consent to detectives to search his cellphone. In the subsequent phone extraction, a photograph of a silver revolver was found on his phone. There were also photographs of a tan gripped Sig Sauer semi-auto handgun sent to Richmond, Jr. from Richmond, Sr. on 01/22/2019. Following this interview, Richmond, Jr. was transported across the street to EPD Headquarters for further questioning.

While at EPD Headquarters, Larry Richmond, Jr. advised that he wanted to speak with someone. Detective Anthony Aussieker and FBI Special Agent William Gray then interviewed Richmond, Jr. after he was reminded of his Miranda rights. Richmond, Jr. admitted to detectives that he stole a Taurus Judge from his place of employment (River City Pawn) sometime in September of 2018. He then gave the stolen gun to his father, Larry Ali Richmond, Sr. within days of him taking the gun. From the interview, detectives asked Richmond, Jr. regarding text messages between him and his father that occurred on 02/24/2019. Richmond, Jr. asked Richmond, Sr., "And aye ill trade u." To which Richmond, Sr. replied, "What do you wanna trade." Richmond, Jr. replied back, "Peace keeper" and Richmond, Sr. replied, "ok." Detectives asked Richmond, Jr. what gun he was referencing in the text message that stated "Peace keeper." He then pointed to the photograph detectives recovered from Richmond, Jr.'s cellphone of the silver revolver. The silver revolver imaged was a Taurus Judge.

Detectives then had to clarify why Richmond, Jr. wanted to trade the Taurus Judge that his father already had in his possession. He stated that he wanted his father to keep the Taurus Judge at the [REDACTED] Sheffield Dr. residence because Richmond, Jr. did not want any guns at his

house. Richmond, Jr. then stated he wanted to switch his father the Taurus Judge for a "clean .45" so that he could get his conceal carry permit and carry a gun that was not stolen.

Larry Richmond Jr. informed investigators that his father told him that he would bury the guns if things were to go down. A search warrant was applied for and granted for the [REDACTED] Sheffield Dr where Amanda and Larry Richmond Sr stay. During the search of the residence, Detectives were able to locate in the backyard a buried tote that contained multiple guns with obliterated serial numbers. The Taurus Judge was not one of the guns inside the tote located by detectives. We were able to obtain surveillance video from the neighbors address to the west that had Richmond Sr. on video with the tote in hand and walking to the backyard behind the garage where detectives located the buried guns. This case was filed under EPD 19-04514.

On March 4th, 2019 Detective Lewis and I went to Christian Fellowship Church at 4100 Millersburg Rd. to locate Elizabeth "Becky" Fox-Doerr. We observed Fox-Doerr exit the church on the west side of the facility. I approached Fox-Doerr and asked her if she would be willing to come to EPD headquarters with us so we could speak about the homicide of her husband, Robert Doerr. Fox-Doerr agreed to ride with Detective Lewis and I to EPD headquarters. I had my Olympus digital recorder on during the transport of Fox-Doerr to headquarters. Prior to leaving Christian Fellowship Church, I asked Fox-Doerr if she had any cellular devices on her person and she stated that she did. I then seized the cellular device (Samsung Galaxy S9, 812-[REDACTED]) that Fox-Doerr had with her and a search warrant was applied for and granted. Fox-Doerr was then transported to EPD headquarters and placed in the juvenile interview room due to the adult interview rooms all being occupied.

Once in the interview room, I read Fox-Doerr Miranda and she stated that she understood and was willing to speak to us. FBI Task Force agent Jeff Hands and I then conducted an interview with Fox-Doerr. During the interview, I went back over the night of her husband being killed and asked her if she left anything out or if there was any information that she forgot to tell investigators and she replied "no". I asked Elizabeth if there were any incoming or outgoing phone calls that she forgot to tell me and she stated that there was none other than the ones she already discussed with me. We then showed Elizabeth the deleted incoming phone call from (812-[REDACTED]) Richmond Sr. that was provided by Sprint. Elizabeth initially stated that she doesn't remember talking with anybody minutes before her husband was murdered. Elizabeth then stated that she didn't recognize the number (812-[REDACTED]). This number is in Elizabeth's phone as "Larry Ali". When going through her contact list she stated that Larry Ali was her sister, [REDACTED] fiancé. Elizabeth informed us that she didn't know him well enough to give an opinion.

Later in the interview, Elizabeth confirmed that the deleted call was with her sister's fiancé, Larry Richmond Sr. Elizabeth acknowledged that she purposely withheld this information from detectives and deleted this phone call prior to her husband arriving home. Elizabeth stated that Richmond Sr. and her spoke about adding another motion light in the backyard. Elizabeth mentioned that she withheld this information because she knew he had been in trouble before. Elizabeth also mentioned that she didn't want us to think that she was having an affair with Richmond Sr. Elizabeth mentioned that while walking her dog prior to Robbie arriving home that night she felt like Larry was there. Elizabeth stated that she asked Larry if he was there and Larry informed her that he came by earlier and her garage door was open.

It was also confirmed that Richmond Sr. deleted the phone call from Elizabeth Fox-Doerr as well. The phone call deleted between Richmond Sr and Elizabeth Fox-Doerr took place minutes before the homicide of Robert Doerr at 6:46:50 PM – 6:51:20 PM on February 26th, 2019.

After the extraction of Larry Richmond Sr's iPhone, it was discovered that minutes before Robert Doerr was executed, Richmond Sr. had opened a cop radio app, called Elizabeth Fox-Doerr at 1846 hours and had a 5 minute and 30 second conversation with her. Richmond Sr's iPhone shows an event that the phone then powered on 9 minutes after the homicide at 7:14:37 PM and then proceeds to check the copradio app again. Richmond Sr was observed on surveillance video at the Circle K gas station located at 3105 N First Ave. just north of the scene of the homicide 6 minutes after the first call into dispatch that Doerr had been shot.

On March 5th, 2019, Elizabeth Fox-Doerr's son, [REDACTED] brought in a sympathy card from Larry Richmond Sr and his aunt, [REDACTED]. [REDACTED] stated that when his mother was picked up by police on the 4th of March he began going through the sympathy cards from the funeral. While doing this, he noticed that a small piece of paper fell out of the card that was from Larry Richmond Sr. and his aunt, [REDACTED]. The note in the card was on a separate small piece of paper and stated "we need to talk" with the phone number (812-[REDACTED]) and signed "Larry". This phone number belonged to Larry Richmond Sr. as well and was the phone that was located on his person when he was detained by officers. At a later date, we brought in [REDACTED] and she confirmed that she never witnessed that small piece of paper inside the card when she signed it. [REDACTED] confirmed that was Larry's writing.

Larry Richmond Jr. would later come back for another interview. Richmond Jr. informed us that his father, Larry Richmond Sr. had told him that he slept with the wife of the deceased fireman, Robert Doerr. Richmond Jr stated that sometime before Robert's death his father drove him over to the alley behind [REDACTED] Oakley St and Elizabeth Fox-Doerr walked out of her residence and got into Richmond Sr's car. Richmond Jr. stated that he was sitting in the back seat and watched his father and Elizabeth Fox-Doerr kiss and then she exited the vehicle and returned to her home.

Later in the investigation, Richmond Jr was able to provide two letters that were written from his father, Larry Richmond Sr. The first letter was addressed to Richmond Sr's mother. Richmond Jr informed us that his grandmother gave him the letter and told him he needed to notify police. In the letter addressed to "Mom" Richmond Sr. informs his mother that she needs to pass along a strong message to "Bumpy". Richmond Jr. informed me that his father called him "Bumpy" at times. In the letter from Richmond Sr. it says, "if the gun he stole ever pops up they will be trying to charge him with murder or accessory to murder." The other letter from Richmond Sr. was addressed to Richmond Jr and was provided to us as well. These written documents were all examined and confirmed to be authored by Larry Richmond Sr.

Following this, an inmate that was currently locked up with Larry Richmond Sr. reached out to me and stated that he had information on the homicide of Robert Doerr. This inmate stated that Richmond Sr confided in him and discussed the murder of Robert Doerr at times. This inmate stated that Richmond Sr. told him he was having an affair with Elizabeth and that Robert knew of it. The inmate was able to provide multiple pages of handwritten notes that he had taken when Richmond would discuss the homicide. These notes were all collected and placed into evidence.

In June of 2021, I reapplied for and was granted a judicially signed search warrant for the cellular phones that were seized regarding this case. All of the phones were then taken down to the Vanderburgh County Cyber Crimes Task Force where they have a much higher success rate of extracting complete content as well as recovery of removed / deleted artifacts. In January of 2022, I was notified that the Vanderburgh County Cyber Crimes Task Force was able to get into Richmond Sr's black Apple iPhone and successfully completed a full extraction on Richmond Sr's black Apple iPhone.

In the full extraction, Detective A. McCormick, who is also a Task Force Officer with the FBI, was able to review filed Cached Location data that was stored on Richmond Sr's Apple iPhone. There were 42,142 files available to review. The details provided were latitude, longitude, accuracy in meters, altitude in meters, altitude accuracy in meters, date and time. Detective McCormick was able to locate the catch location data during the 6pm hour on 02/26/19. I observed 15 location hits east of First Avenue. The cluster of the 15 hits are approximately 67 meters southwest of [REDACTED] Oakley Street. The time range of the 15 hits are between 6:31:40 PM to 6:39:17 PM on 02/26/2019.

Further review of the records shows location hits near the intersection of Fulton Parkway and N. Third Avenue at 6:24:10 PM. There is a total of 6 location hits in this area between 6:24:10 PM to 6:28:39 PM. Then at 6:29:24 PM to 6:30:54 pm there are location hits along First Avenue traveling south. There is no location hits after 6:52:52 PM until 7:14:47 PM which Richmond Sr's iPhone has a stored location data at the Circle K gas station located at 3105 N First Ave. Richmond Sr's iPhone extraction shows a powered on event at 7:14:37 PM. Video surveillance recovered from the business shows Richmond Sr. at this location during the date and times recovered from Richmond Sr's Cached Location Data on his black Apple iPhone.

In July of 2022 a grand jury was conducted in regards to the homicide of Robert Doerr. Elizabeth Fox-Doerr was arrested for perjury for her false statements while under oath.
