Re: Veo Appeal of City's Termination of Operating Permit

Dear Mr. Hoover –

The City of Fort Wayne (the "City") is in receipt of Veo's Appeal of the City's decision to terminate its operating permit dated August 8, 2023. In this letter, Veo stated several grounds for the appeal. Specifically, the City failed to offer Veo the opportunity to implement changes to comply with City requests. Additionally, Veo states that it has acted in good faith to institute additional rules to restrict improper use of its equipment. Finally, Veo argues that the community has benefitted from its services.

The Right-of-Way Department has reviewed and considered Veo's Appeal in its entirety, and the Appeal is denied.
