## SPORTS PHYSICALS

Wednesdays · 1-4 pm

**Physical forms must be provided by the patient to be completed by the physician.**

Basic physicals will be provided, free of charge, for any middle school or high school students for school or sports requirements. If your child has a chronic/serious health condition, please contact your primary care physician. *Only available to Allen county residents at this time.*

## LEAD TESTING

Wednesdays · 1-4 pm

**The Indiana Department of Health requires all providers to ensure children receive a blood lead test at the following times:**

- Between the ages of 9 and 13 months
- Between the ages of 21 and 27 months
- Any child between 28 and 72 months that does not have a record or prior blood test

**Indiana statute requires that ALL children enrolled in Medicaid receive a blood lead test at 12 and 24 months of age.**  
Any child between 24 and 72 months enrolled in Medicaid, with no previous blood lead screening test, must receive one.

## ROUTINE IMMUNIZATIONS

Available during regular clinic hours.

**Receive your routine immunizations during your scheduled appointment.**

Super Shot will review all patients' state immunization records to ensure they are up-to-date on all ACIP recommended vaccines regardless of appointment type.

Super Shot requires insurance information if insured. If uninsured, we ask for a \$15 per vaccine administration fee, but turn no one away for inability to pay.
