Dear Mr. Mayor,

On behalf of the citizens of Fort Wayne, I am requesting the video footage from the police interaction with yourself on the evening of October 8th. Specifically, the video from the bodycams of each of the officers, the dashcams and the backseat camera in the vehicle that was used to transport from the scene. Additionally, I am requesting the unredacted police reports be made available to council with any associated change logs.

These data items are necessary for council to conclude its inquiry. I would like to thank you for your continued cooperation.

Sincerely,

Jason Arp
