TRIP EXPERIENCE

CHECK-IN/
CLEAR TSA TRANSFER CONNECT

Our passenger experience is seamless, from gate to gate

How it Works – Landline Departures from Allentown (ABE)

1

Passenger dropped-off at ABE airport, close to home

2

AA check-in and TSA security screening at ABE airport

3

Wait in terminal with stress-free boarding onto AA branded vehicle

4

70-min journey to PHL on premium coach with 36" leg-room, 2x1 seating, Wi-Fi, power outlets

5

Sterile vehicle clears PHL security gate and passenger arrives 'airside' into terminal facility

6

Passenger proceeds to connecting flight with bag handled by AA

How it Works – Landline Arrivals into Allentown (ABE)

- 1** *Passenger lands at PHL airport and deplanes*

- 2** *Walk to PHL Concourse F for onward ABE connection*

- 3** *Wait at Gate F8 for departure while bags transferred to bus*

- 4** *Bus departs gate F8, drives across tarmac, exits PHL airport security gate, and proceeds directly to ABE*

- 5** *Vehicle arrives curbside at ABE; bags handed to passengers on curb from secure compartment*

- 6** *Passenger is picked up by family member, close to home*
