Planning Ahead

• Estimate peak hospitalizations

• Build capacity before you need it
  • Space: FEMA Mobile Hospital, Public Colleges, Surge Hospitals
  • Staff: Healthcare Professionals, Volunteers, Medical Students
  • Stuff: PPE, Ventilators, Beds, Food Service

• Models are estimates – could be better or worse

State Aggregate

* Assumes Social Distancing

~12,000 COVID-19 Beds
~2,500 Ventilators
Connecticut COVID-19 Gameplan

• Strong social distancing early

• Partnership with hospitals

• Build surge capacity before we need it

• Load balance across the state

• Prepare exit strategy
