

# SAME GREAT FOOTBALL

CONTINUED FROM PAGE 4

there's countless moments that will hang in memory for years.

I just love getting to follow some of it.

The Williamson Herald will be represented all season on the sidelines covering 14 area football programs like the Raptors. WillCo has produced finalists in each of the last three seasons in the state's largest classification with Ravenwood getting back into the final in 2019, Brentwood in 2020 and Summit last year.

All three are part of the loaded Region 7-6A.

Division II-AA is home to local Christ Presbyterian Academy, which has advanced to four consecutive state championship games with a pair of titles. The Lions have battled Middle Region rival Lipscomb Academy for a championship in back-to-back seasons and tipped another local and region foe in Battle Ground Academy in 2018 for the title.

That same year, Brentwood Academy ended a four-year string of state titles in

DII-AAA and seems primed for a deep postseason run this season.

It will be another amazing year of local football.

Besides following the Williamson Herald, you can find me teamed up with longtime local sports journalist and Herald contributor Joe Williams along with former Franklin Alderman Dana McLendon on WAKM Radio each Friday night.

I'll be taking photos and video for the newspaper while serving as a sideline reporter for the weekly Game of the Week. Also, don't forget to check out our other radio broadcast every Monday – the WillCo Sports Power Hour – live from Tony's Eat and Drink in Franklin. That partnership with Gateway Tire's Garth Bouldin will always have plenty of local football flavor to go with every other sport!

See you all under the Friday Night Lights! And on some Thursdays, too!
