November classes, events at Winona Health

Join the fun and education at upcoming classes and events to be held on the Winona Health campus. From family-friendly activities to educational classes and workshops, there's something for everyone. Note what's happening this month and save the date for what's coming up.

All About Baby

On Tuesdays from 12-1:30 p.m. at the clinic, third floor, library in women's health, this is a weekly drop-in group for parents to weigh their baby, get answers to questions, and meet other parents. New parents and expecting parents are welcome. No RSVP is needed; parents can drop in for all or part of the 90 minutes. If you have questions, email childbirth@winonahealth.org.

Holiday Happiness in the Gift Shop

From November 2 to December 23 on the hospital first floor, this festive event features a variety of decorations, clothing, accessories, and gifts, ranging from unique and useful kitchen items to beautiful books and puzzles. Shop a wide variety of gifts, decorations, and more. Proceeds will go toward health care projects for patients and residents at Winona Health. Visit winonahealth.org/holidayhappiness for Glady D. Miller Gift shop hours.

Fantasy of Trees

From November 9- 20 on the clinic first floor, each year, our volunteers bring together a sparkling collection of creatively decorated holiday items and decor, generously donated by local businesses and individuals. Purchase tickets for a chance to win the perfect gift for someone special. Proceeds will go toward health care projects for patients and residents at Winona Health. For more information, visit winonahealth.org/fantasyoftrees.

Red Cross blood drive

On Friday, November 13, from 7:30 a.m. to 12:30 p.m. in the B.A. Miller Auditorium on the hospital third floor, the Red Cross is working with hospitals around the clock to meet the blood needs of patients, but can't do it alone. They need your help! To schedule your appointment, visit redcrossblood.org/give.

Health care directive information session

On Tuesday, November 17, from 2-3 p.m. in the B.A. Miller Auditorium on the hospital third floor, everyone 18 years and older should complete a health care directive. The purpose of a health care directive is to allow people to stay in control of their care, even when they are unable to communicate. Creating a health care directive does not require assistance from a lawyer, but when properly completed, it is a legal document to help ensure your wishes are carried out. Winona Health Volunteers invite community members to a free health care directive informational program. Authorized forms for Minnesota, Wisconsin, and Iowa will be available. Facilitators will answer questions and help make the process easy. The health care directive program is free and open to all, but RSVP is required by calling 507-457-4342.

Hands-only CPR workshop

On Wednesday, November 18, from 6-7 p.m. in the B.A. Miller Auditorium on the hospital third floor, what would you do if you're with someone when they begin to choke or experience sudden cardiac arrest? If you don't know, here's how to find out. Helen Bagshaw, CCRN, offers a free hands-only CPR workshop at Winona Health. This 45-minute workshop will be informative and fun. All ages 12 and older are welcome. Those under age 18 must be accompanied by an adult. Learn more and to register: winonahealth.org/events.
