WINONA
STATE UNIVERSITY
Health & Wellness Promotion Coordinator
fixed-term/temporary position
\$47,845-\$93,809
Review of applications begins October 14, 2026.

The Health & Wellness Promotion Coordinator leads and manages Information, Education & Communication (IEC) efforts and Behavior Change Communication (BCC) strategies in a variety of projects throughout Winona State University. Responsibilities focus on the design, implementation and evaluation of these efforts for health and wellness promotion on campus using social media, target population level channels, interpersonal communication, and technology. A major focus of this position is on participatory learning and action to enable the empowerment of students. Primary topic areas include but are not limited to the following: holistic wellness, health and hygiene, prevention and proactive actions for well-being, addressing emotional issues, substance abuse prevention and early intervention, and other areas uniquely encountered by the student population.

WINONA
STATE UNIVERSITY
Interim Director of Student Health Services
Full Time \$63,722-\$128,942
Review of applications begins October 14, 2026.

Responsibilities for this position include
1. Coordinating medical, nursing, laboratory, nutrition, health education, preventative medicine, outreach, cessation and immunization programs and services.
2. Directly supervising staff.
3. Presenting health information to academic departments as well as new student orientation classes.
4. Coordinating promotion and advertising of Student Health Services to prospective students and their parents, current students and campus departments.
5. Managing TB surveillance for international students.
6. Coordinating public health efforts and relaying information to the campus community regarding influenza, meningitis, and other communicable disease in conjunction with the Winona Public Health Department and Minnesota Health Department.
7. Developing/overseeing departmental budget.

Minimum qualifications for this position include
1. A master's degree in Public Health Administration, Healthcare Administration, Nursing or related field.
2. Five (5) years of professional experience in public health, healthcare administration, or a related healthcare setting.

WSU is a member of the Minnesota State Colleges and Universities System and is an equal opportunity educator and employer.
