SENIOR ADVERTISING ACCOUNT SPECIALIST winonapost

We have a rare opening in our retail advertising department, and we have an extremely open mind about who should fill the vacancy.

HERE ARE THE BASIC REQUIREMENTS:

You have to enjoy the sales process, relationship building, and working with your clients to create successful campaigns.

Writing skills, previous sales experience (especially media sales), feeling comfortable around a computer, own a cell phone, and a car are all helpful. This position offers a package of base salary, car allowance, and commission that will be custom designed for you.

Most of all, you have to love Winona, and think that the Winona Post is a pretty great newspaper.

The Winona Post has a circulation of over 19,000 households. Our recent audit results reveal that 78.2% of the people who get the Post actually read it, and that 76% of our readers frequently purchase products or services from ads seen in the Winona Post.

HMMM...
 DID YOU HEAR THAT?

Must be opportunity knocking.

Are you bored, or unappreciated in your current job, and are tired of begging for raises? How do you feel about not having to punch a time clock and getting to meet with interesting clients who eventually become friends?

I want to talk to you!

If you have a current resume, please send it to: patrick@winonapost.com. If not, just send me a killer cover letter.

Don't hesitate though, I tend to pull the trigger quickly when I meet with the right person.

Thanks,
 Patrick Mark
