JOIN OUR EFFORTS!

Litter Cleanups

Register as an individual, community group or business group to get outside and clean up litter! KMVB provides cleanup supplies and overall support. This is a great team building exercise for business and community groups, and is a great way to connect with neighbors as well! No cleanup is too small. Register today!

Beautification & Community Gardens

Do you have a community garden you currently work with, or a new space you think would be perfect to hold one? Is there an eyesore in your community that you think would benefit from art, green space or something else? Let us know! Creating beautiful spaces helps us all connect to each other, and our communities, in a deeper way!

Recycling Initiatives

Have a passion for waste reduction? Start a local recycling initiative or challenge for hard to recycle items, such as plastic film, alkaline batteries or cigarette butts! KMVB is here to help coordinate your efforts.
