nationalgrid

Upstate New York 2022

Find energy savings all around your home.

Program Name	Fuel Type	Offer Details	For More Information
Services			
Online Home Energy Assessment	Gas and Electric	Take a five-minute online survey to learn more about how you're currently using energy in your home. Receive customized tips and information to help you save energy and money.	**ngrid.com/uny-assessment**
Income Eligible Services	Gas and Electric	National Grid's Consumer Advocates can provide more information to income eligible customers who are looking for assistance with NYSERDA's EmPower New York℠ program or National Grid's solutions (including the Energy Affordability Program, Home Energy Assistance Program, energy efficiency programs, payment options, and more). • NYSERDA's EmPower New York program provides no-cost energy efficiency solutions to income eligible utility service customers. • National Grid's Energy Affordability Program offers a monthly bill credit to income eligible customers. • The Home Energy Assistance Program (HEAP) helps income eligible households pay their heating bills with federally funded grants.	Call **1-800-642-4272** and ask for a Consumer Advocate to contact you or visit **ngrid.com/billhelp**
Online Marketplace			
National Grid Marketplace	Gas and Electric	Visit the online Marketplace to buy top-quality energy saving and connected home products at affordable prices to save you energy, enhance your comfort, and bring peace of mind. Instant rebates are exclusively for National Grid customers. Products include smart (Wi-Fi) thermostats, LED bulbs, advanced power strips, showerheads, and more.	**ngrid.com/shop**

Program Name	Fuel Type	Offer Details	For More Information
Rebates and Incentives			
High-Efficiency Gas Heating Equipment	Gas	Rebates are available for residential gas customers purchasing new high-efficiency gas boilers or furnaces, water heaters, combination equipment, smart (Wi-Fi) thermostats, thermostatic radiator valves, and boiler reset controls. Save up to $450 on qualifying equipment.	**ngrid.com/uny-gasheating**
NYS Clean Heat	Electric	NYS Clean Heat offers incentives to all electric and gas National Grid customers on ducted and ductless Air Source Heat Pumps, Ground Source Heat Pumps and ENERGY STAR® Heat Pump Water Heaters. Qualifying equipment, Incentives and Participating Contractors can be found on the website.	**ngrid.com/nys-cleanheat**
Instant Savings on ENERGY STAR® Lighting	Electric	ENERGY STAR® certified LEDs can save you money. Take advantage of instant discounts at your local Lowe's, Home Depot, Costco and other participating retailers.	**Visit participating stores.**
In-Store Instant Savings	Gas	Look for National Grid in-store signage at your local big box stores to take advantage of instant discounts on various energy-saving equipment and products like aerators, pipe insulation and batt insulation to smart thermostats and selected water heaters.	**Visit participating stores.**
ConnectedSolutions	Electric	Electric residential and small business customers can enroll qualifying smart (Wi-Fi) thermostats (connected to central air conditioning) to automatically make adjustments on their home temperature to help reduce energy use and keep the comfort when the energy demand is high.	**ngrid.com/ connectedsolutions**

Qualifying National Grid Upstate New York residential customers may be eligible. 2022 offers are subject to change or cancellation at any time. Savings and energy efficiency experiences may vary. Please visit **ngrid.com/unyee** for full customer eligibility details, qualifying equipment details, and Terms & Conditions. ©2022 National Grid.
