## **DOG LICENSES**

The City of Woonsocket has now implemented online licensing through OpenGov. Please visit <https://woonsocketri.portal.opengov.com> to renew or apply for a new dog license. You will need to sign in or create an account if you're a new user of OpenGov (an email address is required). A current rabies certificate is required.

For anyone who doesn't have a computer at home there will be a module in the Clerk's office for your convenience Monday through Friday from 8:00 AM to 4:30 PM.
