For immediate release:

Canine, Rex, was purchased with money donated to the Scott County Sheriff's Office. As such he is the exclusive property of the Scott County Sheriff's Office. Canine Rex was being boarded at the direction and expense of the Scott County Sheriff's Office. Outgoing Commissioner Glueck, aided only by Commissioner Cole, entered a statement, wholly beyond their authority as county commissioner, that the canine should be given to Hunter Juden, who is a private citizen and not a deputy with the Sheriff's Office.

I will seek the lawful return of canine Rex which as stated, was purchased by the citizens of Scott County for use by the Scott County Sheriff's Office. The good citizens of this county made their donations in order to assist the Scott County Sheriff's Office in fulfilling its duties to protect the safety of the people of Scott County.

It is disappointing that outgoing Commissioner Glueck and Commissioner Cole would take such an action beyond the authority of their office. The citizens of Scott County deserve better than this from their elected officials.

Sheriff Wes Drury
