

# Art In The Park For Kids!

## Giant City State Park

School is out for the summer so let's get creative at Giant City! During the month of June, we have six filled-to-the-brim FUN nature programs for kids! This art series is FREE but registration is required. All materials will be provided.

### Secret Superpowers of Butterflies and Dragonflies

Thursday,  
June 4<sup>th</sup>  
10am-Noon

Let your imagination soar as you discover the many superpowers of butterflies and dragonflies! Then create your own wonderful wings with our knowledgeable park volunteers.

Ages 6-12

### Plantable Paper Seedlab

Thursday,  
June 18<sup>th</sup>  
10am-Noon

Have you ever wondered what happens when you add seeds to paper? Join U of I Extension to learn about Illinois' native plants and make your very own seed paper!

Ages 6-12

### Exploring Beauty In Nature

Wednesday,  
June 10<sup>th</sup>  
1pm-3pm

Does the shape of a leaf or the spiral of a flower ever catch your eye? Dive into the amazing patterns around us while making your own watercolor mandala with an art educator.

Ages 8-12

### Mothscapes for Kids

Wednesday,  
June 24<sup>th</sup>  
10am-Noon

Explore the secret world of moths as you create your own low-maintenance dry (non-living) terrarium. Join Illinois Extension educators to see how moth natural history and art come together!

Ages 6-12

### Something's Fishy at Giant City

Thursday,  
June 11<sup>th</sup>  
10am-Noon

Come make a splash as we wade into the waters of all things fishy! Learn about our scaly friends, read a tale, and craft a fish print with a park volunteer and a fish biologist.

Ages 6-12

### Crafty Trails with Jen

Thursday,  
June 25<sup>th</sup>  
10am-Noon

Find inspiration on the go as we take a fun, easy hike with art educator, Jen! We'll pause along the way to collect natural materials to use in our land art.

Ages 6-12

For more information or to register, please call the Giant City Visitors Center at 618-457-4836.

\*Please note: adults are asked to stay with their children during the programs.
