NOVEMBER SUPERINTENDENT REPORT

- The Veterans Day program was November 11th. Mrs. Crystal Russell did a wonderful job organizing the event and honoring our veterans. Sergeant Robert Claud was the speaker and did a wonderful job speaking to our students. A heartfelt thanks goes to all who serve in our military to keep our nation safe and protect the freedoms we all enjoy.
- KSA Results
- KSBA Winter Symposium is December 5-6 at the Louisville Marriott Downtown. The board members that are going should have received confirmation via email. KSBA Annual Conference in Louisville is set for February 20-22 at the Galt House. Please mark your calendars and I will have registration information available by the January board meeting.
- Falcon Academy Sponsor Appreciation Banquet will be held on March 5th at 10:00 Am. I encourage each of you to come and help express our appreciation for all our community to make this a model program in the state.
- District will run an Urgent Message test on Parent Square on November 26th as we prepare for winter weather season. This will ensure our families can get immediate notification of school delays or closures.
- Community Holiday Meal: Hosting a community holiday meal strengthens relationships between the schools and the families they serve. It creates a welcoming, inclusive environment where parents, students, staff, and community members can come together in a positive, relaxed setting. Events like this build trust, encourage open communication, and demonstrate that the district truly cares about the well-being of its families beyond academics. It also supports families who may be experiencing financial stress during the holidays, ensuring everyone will have the opportunity for a nice family style meal. Overall, it conveys and reinforces the district's commitment to community, connection, and support.
