In re: Suspension of McCracken County High School Principal Michael Ceglinski

Principal Michael Ceglinski has been suspended with pay from his duties at McCracken County High School after being charged with two misdemeanors alleging he did not report abuse of his students. These charges are nonsensical and illogical. Principal Ceglinski has never had any motive to fail to report the abuse of his students. In his 20 years as an educator, the last seven as principal of McCracken County High School, Principal Ceglinski has always made the needs and safety of his students a priority. Principal Ceglinski cooperated with the investigation and looks forward to trial where rumor and innuendo are not evidence. Principal Ceglinski looks forward to being judged by the facts.

Sincerely,

Jeremy Ian Smith
Counsel for Principal Ceglinski
