

Rapid Response Meeting for O'Charley's Dislocated Workers

This is your opportunity to ask questions, explore options,
and begin your path to reemployment.

Are You Prepared for ID.me Verification?

ID.me is a secure identity verification system used to confirm your identity when applying for unemployment insurance. While ID.me accounts will not be created at this meeting, we can review the documents you'll need so you're ready when it's time to apply.

**Tuesday
September 15th
1:30 PM**

**Paducah Career Center
416 South 6th Street
Paducah, KY**

What to Expect at this Meeting:

- Receive an overview of services and benefits available after a layoff.
- Be guided through a resource booklet that includes detailed information on each program and how to access support.
- Learn how to apply for unemployment insurance and understand what to expect during the process.
- Review available career services, including job search assistance, resume support, and interview preparation.
- Learn about additional support services, including financial resources, health benefits, and pension information.
- Receive information about specialized services for Veterans and individuals with disabilities.
