Good morning.

Last night I received a letter of resignation from our Athletic Director, Kris Garrett. Kris has stepped away from his position here at MCHS due to some personal reasons and a desire to spend more time with his wife and son. I am fully aware of the speculation that has surfaced over the last few days / weeks and I ask that you help us move forward by not contributing to the rumor mill. There is one thing that we all know for certain...we have a vacancy in our Athletic Department and we will look to fill it sometime in the future.

Mallory Austin, Natalie Massa, and myself will work to ensure that our programs continue to be as successful as they have always been while we are in this time of transition. If you have logistical questions concerning transportation, scheduling of facilities, etc please allow Mallory and Natalie to help you. If you have budget issues or need some help with conflict resolution, I'll gladly help you. The three of us will work closely over the next few months to serve you and our students.

On a brighter note, we had a very successful open house last evening for our 8th grade families. A huge thank you for those that worked it and met with our future parents. I always hear nothing but positive feedback about the event. It takes a village and this is one village I'm lucky to be associated with.

Have a great day and hope your day with kids proves to be a great one.

Michael
