HEART USA is looking for contestants over 18 years of age for our "Hunks In Heels Womanless Beauty Pageant" to be held on Saturday, August 24, 2019. Contestants will need to dress in beauty pageant attire (evening gown), heels, wig, make-up, have a 'stage name', and be ready to strut his stuff!

A talent contest will also be held, both good talents and silly are welcome! Can't sing? That's okay – lip sync instead! Can you play an instrument or be willing to bust a move on the dance floor? The possibilities are endless! *If you need ideas, just ask - we can help!*

The sillier the better, but remember – THIS IS A FAMILY SHOW! Please keep everything 'PG Rated' as children of all ages will be in attendance. Please refrain on anything raunchy or distasteful. Remember, this is ALL in good fun!

There is no entry fee for contestants, although we encourage you to try and get donations. Awards will be presented in several categories, including largest donation raised. The best part is – it's all for a great cause and 100% of the money you raise will go to Heart USA.

*Heart USA is a 501(C) nonprofit organization that helps area residents with affordable prescription medications, supplies, and equipment. This event is organized in full by the 100% volunteer staff of Heart USA.

What is Heart USA?

Heart USA, also known as Healthcare Equipment and Resource Tools, Inc., is a non profit organization that helps uninsured, underinsured, and those with Medicare D by providing prescription assistance for free or reduced price prescription medications, medical supplies, and medical equipment. At times, this is the last resort for many patients. We will not turn away anyone qualified for help!

Heart USA is a proud KYPAP partner and services 13 Western Kentucky counties. Unlike KYPAP, Heart USA also helps residents in surrounding counties and states. While they do receive some funding for office operations for the prescription assistance program, the durable medical programs are 100% funded by donations and fundraisers. These events are organized and presented by volunteers. Heart USA is 100% volunteer driven, and not one person receives payment or salary for their work. Most importantly, there is NEVER a charge for services provided!

Heart USA also collects, repairs, and re-distributes durable medical supplies at **no charge** to those in need. Donations of all **durable** medical supplies and equipment are accepted.
