Dog Bite: Health Department needs your help finding a dog

Eau Claire, November 3, 2025 – The Eau Claire City-County Health Department is asking for your help to find a dog that bit a man on Friday, October 31 around 4:30 p.m. The bite happened near the intersection of Imperial Circle and Eldorado Boulevard in Eau Claire.

The dog was described as a large-sized, short-haired, white dog with some brown-colored fur. The dog was not on a leash at the time of the bite. A female and male were seen with the dog.

We need to find this dog to determine its health and rabies status. If we don't find this dog it could bite again, and the bite victim may need to have a series of expensive injections to prevent rabies.

If anyone has information about this dog, they should contact the Eau Claire Communications Center at 715-839-4972.

For more information about rabies exposures and what to do if you are bitten by an animal, visit our website: rabies.echealthdepartment.org
