### Recall on Snack Sticks

Due to health safety concern, we are recalling Rump's Butcher Shoppe Snack Sticks produced on May 26<sup>th</sup>, 2026, at our facility in Altoona, WI. The product in question would have been purchased at our store on the dates between May 27<sup>th</sup> and June 2<sup>nd</sup>. If you purchased any snack sticks from us with an expiration date of 7/26/2026, or if bought from our deli they would have an expiration date 7 days after purchase (6/3 – 6/9). Please check your refrigerator for the products listed below. If you do have some of the product, do not eat, and contact Rump's Butcher Shoppe at 715-831-6328 or return them to the store.

There was an issue with how the snack sticks cooked due to a technical issue with our smoke house. We caught the issue and the only product of concern is the snack sticks produced on the date above. This is a low risk for potential illness, however please out of abundance of caution do not eat the product identified.

Our food safety program worked and helped us identify this issue. Rump's Butcher Shoppe has a long history of producing safe, high-quality products for the community and we will continue to do just that long into the future.
