**On July 8, 2024 at 7:45 a.m. Burnett County Dispatch received a call from a group home on New Moon Drive in Meenon Township stating one of their residents had left the home sometime overnight. They checked their cameras and she was seen leaving the home on foot around 9:20 p.m. on July 7<sup>th</sup>. The camera is infrared so a definitive clothing description is not available, however; it is possible, that she may have a light blue fleece shirt and white crocs on.**

**The missing person is 22 year old Ashley L. Janisch. Ashley is described as 5'07" tall, approximately 200 pounds with blue eyes and brown curly hair. She has pierced ears and wears red-framed glasses. Ashley has cognitive delays and sometimes jumbles her words. Ashley likes horses and camping. She is under a court ordered placement at the group home.**

**The Burnett County Sheriff's Office conducted a neighborhood canvass and looked for any outdoor cameras that may have video footage of Ashley. A law enforcement K9 search was done along with a drone search. A K9 Emergency Response Team was also called in to attempt to track Ashley.**

**A ground search with Emergency First Responders is being conducted. At this time we are not requesting the public's assistance with a ground search.**

**We are requesting the public to check any outbuildings and cameras on their property to see if there are any signs of Ashley.**

**Ashley has been entered as a missing person in the National Crime Information Center and an Attempt to Locate notification has been sent to law enforcement agencies.**

**Please contact the Burnett County Sheriff's Office with any information leading to Ashley's location.**
