Hello,

Prior to being elected Sheriff, [REDACTED] confided in me regarding this matter. I try to stay out of cases prior to my tenor and throughout my career I have normally remained fairly quite regarding decisions of the courts. It is not my job to prosecute a case, or preside over one.

This is an exception. The vile disgusting things Glen did to [REDACTED], deserves more than a slap on the wrist. It is my understanding that [REDACTED], [REDACTED], and [REDACTED].

[REDACTED] forwarded me their statements they submitted to Victim Witness. I just wanted you all to know that if Glen is sentenced to jail, I will walk him over myself and he can stay in there without Huber or electronic monitoring if that ends up being the sentence. I took an oath to defend our victims, and to stand up for them; they deserve justice. Electronic monitoring is not justice in this case, he preyed on victims [REDACTED]. He also has a reported history of being a sexual predator on young females. He needs to be a registered sex offender, the public deserves protection from his repeated acts.

Let me know if you need anything.

Sheriff Travis C. Hakes
