Statement from the Eau Claire Area School District

The Eau Claire Area School District and Board of Education would like to make our community aware of a threat made via email today regarding the Board of Education meeting this evening at 7 pm.

The Eau Claire Police Department is investigating the threat at this time and will have a presence at tonight's meeting.

The meeting will also be streamed live via instructions found at our ECASD website.

As this is an ongoing police investigation, no further information is currently available.
