NARRATIVE:

On September 19, 2024, at approximately 21:29, the Buffalo County Sheriff's Office Dispatch Center received a 911 call from a passing motorist reporting there was a structure fire at W2181 Mike Varenick Road in the Town of Nelson, Buffalo County, Wisconsin. While emergency crews were enroute, the property owners also called to report their workshop was on fire and nobody was inside.

Upon arrival of emergency crews, there was a large workshop that was located between two other structures that was fully engulfed in fire. Fire crews were able to prevent the fire from spreading to the other structures and were able to extinguish the fire. The surrounding buildings did sustain damage from the heat.

The workshop was a total loss and no injuries were reported. The cause of the fire is still under investigation.

Emergency crews were on scene from the Buffalo County Sheriff's Office, Nelson Fire Department, Alma Fire Department, and Western Buffalo County Ambulance Service.
