Visit Eau Claire Announces Call to Artists for 2025 Sculpture Tour

Eau Claire, Wis. (August 14, 2024) - Visit Eau Claire is seeking local and regional artists' submissions for the 2025-2026 Eau Claire Sculpture Tour. This year, the tour featured approximately 150 original outdoor sculptures in Eau Claire and neighboring partner cities, making it the largest rotating sculpture tour in the nation.

The 2025 sculpture tour season will debut in May of 2025 and run through April of 2026. Artist work will be considered for the entire program and may be chosen for multiple sites and years. Artists can submit their applications at https://www.visiteauclaire.com/sculpture-tour/call-to-artists/. The deadline for artist applications is November 1, 2024.

"We are thrilled to invite artists from all over to contribute to the Eau Claire Sculpture Tour, said Julie Pangallo, Visit Eau Claire's Public Arts and Events Support Manager. "This is a unique opportunity to showcase creativity and artistic expression in our vibrant community. We can't wait to see the innovative and inspiring pieces that this year's call will bring."

For more information on artist submissions, check out https://www.visiteauclaire.com/sculpture-tour/sponsorship-information/.

About Visit Eau Claire: Visit Eau Claire is a community asset dedicated to creatively marketing, effectively managing, endlessly motivating, and continuously building a dynamic tourism economy of business, sports, and leisure travelers. We amplify the image of our region, partners, and businesses by consistently developing the skills, knowledge, and friendships of all those we work for.
