### ***Erbert & Gerbert's Water Street location to Relocate: Exciting New Westside Eau Claire Store in Development!***

**Eau Claire, WI – 3.30.25** – After more than 30 years of serving delicious sandwiches and savory soups at its cherished Water Street location, Erbert & Gerbert's is looking ahead with enthusiasm as we announce plans to relocate to a new, state-of-the-art facility on the west side of Eau Claire. The flagship store at 409 Water St, Eau Claire, WI 54703, will close its doors at the end of March 2025 to make way for this exciting new chapter.

"While we are nostalgic about leaving our historic Water Street location, the opportunity to develop a brand-new store on the west side excites us tremendously," said Eric Wolfe, President of Erbert & Gerbert's. "This move aligns with our vision for growth and enhanced service. We're eager to bring our loyal customers an updated experience while continuing to serve the high-quality sandwiches and soups they love."

In the meantime, fans of Erbert & Gerbert's can continue to enjoy their favorite offerings at three nearby Erbert & Gerbert's locations:

- E&G UWEC Campus: 127 Roosevelt Ave. Eau Claire, WI
- E&G Clairemont: 2308 E Clairemont Ave, Eau Claire, WI
- E&G Lake Hallie: 1433 Commercial Blvd, Chippewa Falls, WI

We remain dedicated to ensuring that every visit continues to be a delightful experience during this transition.
