### **Officer Involved Death Investigation in Chippewa Falls, Wis.**

CHIPPEWA FALLS, Wis. – The Wisconsin Department of Justice (DOJ) Division of Criminal Investigation (DCI) is investigating an officer involved death that occurred in the City of Chippewa Falls on the morning of Thursday, April 9, 2026.

At 10:58 a.m. Thursday morning, three officers with the Chippewa Falls Police Department were dispatched to a hotel near the 1000 block of West Park Avenue in Chippewa Falls to respond to a report of wanted subjects being there.

After arriving outside the hotel, one of the responding officers made contact with three subjects in a vehicle. One of the subjects fled the vehicle. The same officer pursued this subject on foot, and, while fleeing, the subject brandished what law enforcement reported they believed to be a handgun.

The subject jumped a patio railing, and the officer, on the opposite side of the railing, discharged their weapon, striking the subject.

EMS was contacted and life saving measures were rendered on the subject, but the subject was pronounced deceased on scene. No members of law enforcement or other members of the public were injured during this incident.

The involved law enforcement officer was wearing a body-worn camera during the incident, and will be placed on administrative leave, per the agency's policy.

DCI is leading this investigation and is assisted by a DCI Crime Response Specialist, the Wisconsin State Patrol, and the Chippewa County Sheriff's Office.
