Thomas Fitzgerald
Sonya Hoppes
Ken Morse

Greetings,

This decision was a very difficult one. I regret to inform you that I am resigning as the South Beloit Fire Chief effective immediately. This city and the fire department have much potential. I thank everyone who has been so kind to me in this short time. I wish you continued success in rebuilding the department. Personnel are your most important resource, continue to take care of them.

Life is too short, I have decided to spend more time working in and experiencing Alaska. I am going to call this pre-retirement.

Once again thank you for believing in me.

Sincerely,
