PETITION FOR JUDICIAL REVIEW

NOW COMES Petitioner-Objector Lindsey Michelle Chase, by and through her attorney, Scott B. Erdman, for her Petition for Judicial Review pursuant to Section 10.10.1 of the Illinois Election Code (10 ILCS 5/10-10.1) against Respondents Beverly Miles (Candidate), Karla Shaw (Candidate), the State Officers Electoral Board, Ian K. Linnabary, Chair; Casandra B. Watson, Member; Laura K. Donahue, Member; Tonya L. Genovese, Member; Catherine S. McCrary, Member; William F. McGuffage, Member; Rick S. Terven, Sr., Member; and William J. Cadigan, Member. Petitioner-Objector states as follows:

1. Petitioner-Objector is a resident and registered voter at 1136 Park Pl., Bellwood, Illinois 60104. She is the Objector to the candidacies of Beverly Miles and Karla Shaw for Governor and Lieutenant Governor, respectively, at the June 28, 2022, General Primary Election, and she was the Petitioner before the Electoral Board, where she duly and timely filed a Petition (the "Objector's Petition") challenging the qualification of Respondent-Candidates for the upcoming Democratic primary election.

2. Respondents, the duly constituted State Officers Electoral Board, and its members Ian K. Linnabary, Chair; Casandra B. Watson, Member; Laura K. Donahue, Member; Tonya L. Genovese, Member; Catherine S. McCrary, Member; William F. McGuffage, Member; Rick S. Terven, Sr., Member; and William J. Cadigan, Member (together referred to as the "Electoral Board") are all named in their official capacities.

3. Respondent-Candidate, Beverly Miles, is a candidate who filed nomination papers seeking nomination as a Democratic candidate for Governor of Illinois.

4. Respondent-Candidate, Karla Shaw, is a candidate who filed nomination papers seeking nomination as a Democratic candidate for Lieutenant Governor of Illinois.

5. Petitioner-Objector has been aggrieved by the Electoral Board's adverse decision on her Objector's Petition because Respondent-Candidates' names were not removed from the ballot for the June 28, 2022, General Primary despite evidence of fraud and false swearing on Respondent-Candidates' nomination petitions.¹

6. Respondent Electoral Board is a statutory entity with the power to determine the validity of nomination papers pursuant to the objection procedures set forth in Article 10 of the Election Code.

7. Petitioner-Objector is the party who brought the objections against the Respondent-Candidates.

8. Petitioner-Objector alleged in her Objector's Petition that Respondent-Candidates' nomination petitions contained numerous violations of the Illinois Election Code, including that Respondent-Candidates' nomination petitions contain a pattern of fraud, false swearing, and total disregard for the requirements of the Election Code; that specific circulators engaged in fraud and false swearing on Respondent-Candidates' nomination petitions; and that, even if there were no instances of fraud or false swearing, Respondent-Candidates' nomination papers did not contain the required 3,250 signatures of qualified electors to be placed on the ballot as candidates for Governor and Lieutenant Governor. 10 ILCS 5/2A-1.1b(b).²

9. In the Electoral Board's decision, entered April 21, 2022, the Electoral Board overruled the objections.

10. The decision of the Electoral Board should be reversed because the decision is contrary to law and fact.

11. First, the Electoral Board ignored clear evidence of fraud, false swearing, and Respondent-Candidates' complete disregard for the requirements of the Electoral Code. This evidence is visible on the face of Respondent-Candidates' nomination petitions, and Petitioner-Objector made the Electoral Board aware of this evidence from the very first filing of the Objector's Petition.

12. The Electoral Board further failed to meet its statutory duty to provide Petitioner-Objector a hearing to present additional evidence of fraud and false swearing. For example,

¹ A copy of the Electoral Board's decision is attached hereto and incorporated herein as Exhibit A.

² A copy of the Objector's Petition is attached hereto and incorporated herein as Exhibit B.

Petitioner-Objector was prepared to elicit the testimony of a handwriting expert to testify to a pattern of fraud and false swearing throughout Respondent-Candidates' nomination papers. The handwriting expert would have testified that multiple signatures on certain petition sheets were completed in the same hand, and that the same hand completed signatures on multiple circulators' pages. The Board's Hearing Officer excluded the handwriting expert's testimony on the grounds that Petitioner-Objector did not timely enter voter registration records into evidence—even though the handwriting expert would not have opined on those records to establish a pattern of fraud and false swearing.

13. Finally, the Electoral Board failed to hear Petitioner-Objector's timely-submitted evidence and oral argument regarding Petitioner-Objector's objections and exceptions to the Electoral Board's staff rulings made during the Electoral Board's records examination.

WHEREFORE, Petitioner-Objector prays that the Petition for Judicial Review be granted. Petitioner-Objector further prays that the Court remand the Objector's Petition to the Electoral Board for a proper hearing of Petitioner-Objector's evidence; or, in the alternative and in the interest of quickly resolving this matter, that the Court hear that evidence itself; or, in the alternative, that the Court enter a judgment reversing the decision of the Electoral Board based on the evidence of fraud and false swearing that is already in the record before it. Petitioner-Objector further prays that the Respondent-Candidates' names NOT be printed on the June 28, 2022, General Primary Election ballot, and for such other relief as the Court deems just and proper.

DECISION

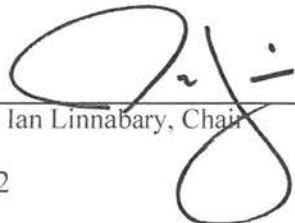

The State Board of Elections, sitting as the duly constituted State Officers Electoral Board pursuant to Sections 10-9 and 10-10 of the Election Code (10 ILCS 5/10-9 and 5/10-10), and having convened on April 21, 2022, at 69 W. Washington, Chicago, Illinois, and via videoconference at 2329 S. MacArthur Blvd., Springfield, Illinois and having heard and considered the objections filed in the above-titled matter, hereby determines and finds that:

1. The State Board of Elections has been duly and legally constituted as the State Officers Electoral Board for the purpose of hearing and passing upon the objections filed in this matter and as such, has jurisdiction in this matter;
2. On March 21, 2022, Lindsey Michelle Chase filed an objection to the nomination papers of Beverly Miles and Karla Shaw, Republican Party candidates for the offices of Governor and Lieutenant Governor of the State of Illinois.
3. A call for the hearing on said objection was duly issued and was served upon the Members of the Board, the Objector, and the Candidates by registered mail as provided by statute.
4. On March 31, 2022, Objector filed a Motion for Summary Judgment. On April 4, 2022, Candidates filed a Response to Objector's Motion for Summary Judgment. On April 6, 2022, Objector filed a Reply to Candidates' Response to Objector's Motion for Summary Judgment.
5. On March 31, 2022, Candidates filed a Motion to Strike and Dismiss. On April 4, 2022, Objector filed a Response to Candidates' Motion to Strike and Dismiss.

6. On April 7, 2022, a records examination was conducted by the staff of the State Board of Elections. Candidate had submitted a total of 6,330 signatures and 4,607 lines were objected to by Objector. Objections to 1,837 signatures were overruled and 2,770 were sustained. Based on the results of the record examination, the Candidate was found to have submitted 3,560 valid signatures, which is 310 above the statutory minimum of 3,250.
7. Objector timely filed 49 Rule 9 submissions. Objector untimely filed additional Rule 9 submissions, excluded as they were received after the deadline. Objector's proposed handwriting expert was excluded because voter records requiring his testimony were not produced. A motion to bar the testimony of the Candidates was granted. No Rule 9 hearing was held because if every timely-filed submission invalidated a signature, Candidates would still have more than the statutory minimum required for the offices of Governor and Lieutenant Governor.
8. On April 19, 2022, Objector filed Exceptions to the Recommendation of the Hearing Officer.
9. On the basis of the findings of the Board's appointed Hearing Officer and the recommendation of the General Counsel, the Board finds that:
 - A. Genuine issues of material fact, coupled with a lack of affidavits attached to Objector's Motion for Summary Judgment, make an entry of summary judgment improper.
 - B. The Candidates' petition contains a total of 3,560 valid signatures, which is 310 signatures above the minimum number of 3,250 signatures required under Section 2A-1.1(b) of the Election Code to qualify them for access to the ballot. Even if the 49 signatures timely submitted pursuant to Rule 9 were invalidated, Candidates would still have 261 signatures more than the statutory minimum.
 - C. Objector has not met her burden of proof in establishing a pattern of fraud by the named circulators or notaries of Candidates' nomination petition pages.
 - D. Candidates' Motion to Strike and Dismiss is moot in light of the Hearing Officer's determination on the merits.

IT IS HEREBY ORDERED that the Objector's Motion for Summary Judgment is denied, Candidates' Motion to Strike and Dismiss is denied, and the objection of Lindsey Michelle Chase to the nomination papers of Beverly Miles and Karla Shaw, Democratic Party candidates for nomination to the offices Governor and Lieutenant Governor of the State of Illinois is OVERRULED based on the findings contained in Paragraph 9 above, and the name of the Candidates Beverly Miles and Karla Shaw SHALL be certified for the June 28, 2022 General Primary Election ballot.

DATED: 04/21/2022

Ian Linnabary, Chair

**Beverly Miles

Respondent-Candidates

OBJECTOR'S PETITION

My name is Lindsey Michelle Chase (“I” or “Objector” herein). I object to the nomination papers filed with the State Board of Elections (the “Board”) on behalf of Beverly Miles and Karla Shaw, who seek to be Democratic Party candidates for nomination for the Offices of Governor of the State of Illinois and Lieutenant Governor of the State of Illinois, respectively, in the June 28, 2022, Primary Election:

INTRODUCTION

1. I reside at 1136 Park Pl, Bellwood, IL, 60104. I am a duly qualified, legal, and registered voter at that address.
2. Pursuant to Illinois Election Code (the “Election Code”), a person who wishes to have their name placed on the ballot as a candidate for the offices of Illinois Governor and Lieutenant Governor at the June 28, 2022, Primary Election must file various nomination papers. 10 ILCS 5/10-1 *et al.* The requirements to be an established political party’s candidates for Governor and Lieutenant Governor include submitting, among other documents, nomination petitions signed by at least 3,250 qualified and registered voters of the state. *Id.* 5/2A-1.1b(b); Ill. State Bd. of Elections, 2022 Candidate Guide at 27 (Rev. Dec. 2021).
3. On March 14, 2022, Beverly Miles and Karla Shaw filed their statements of candidacy and nomination petitions with the Board for the offices of Governor and Lieutenant Governor of Illinois at the Primary Election on June 28, 2022. There are significant, systematic, and ultimately fatal flaws with the nomination petitions. The Miles and Shaw submission is so laden with evidence of fraud and false swearing that the Board should reject the entire submission on its face.

4. Even if the Board does not reject the submission on its face, there is ample evidence of fraud and false swearing attributable to specific circulators that the Board should reject all petition pages by those circulators. Rejecting the petition signatures submitted by fraudulent circulators would result in Miles and Shaw having insufficient signatures to qualify for the ballot.
5. Finally, even setting aside evidence of fraud, Miles and Shaw submitted, at most, 1,699 valid signatures from qualified electors—significantly fewer than the 3,250 signatures from qualified electors needed to qualify as candidates for the Democratic Party’s nominees for Governor and Lieutenant Governor.
6. The Board has authority to decide whether the Miles and Shaw nominating papers are in the proper form; were filed within the time and under the conditions required; are genuine and not falsified; and whether objections to such papers should be sustained. 10 ILCS 5/10-10; Ill. State Bd. of Elections, Draft Proposed Rules of Procedure for Established Political Party Candidates.
7. My interest in filing this Objector’s Petition is that of a registered Illinois voter who desires to see the laws of the State of Illinois governing nomination papers for the offices of Governor and Lieutenant Governor complied with, and that only qualified candidates appear on the ballot for the June 28, 2022, Primary Election. Accordingly, I file this objection pursuant to 10 ILCS 5/10-8, and pursuant to the Board’s authority under 10 ILCS 5/10-9 to “hear and pass upon objections to the nominations of candidates for State offices.” *Id.* 5/10-8, 5/10-9(1).

OBJECTIONS

The nomination papers filed by Beverly Miles and Karla Shaw on March 14, 2022 (the “Nomination Papers” herein) are insufficient in fact and law for the following reasons. I further incorporate all Exhibits 1-3, attached, herein:

I. The Board Should Invalidate the Entirety of the Nomination Papers Due to a “Pattern of Fraud and False Swearing in Obtaining the Signatures”

1. Even a cursory examination of the Nomination Papers reveals a set of petitions that is, quite simply, a lie. In some cases, an entire page of signatures that a circulator attested to being “genuine” was completed by one person using the same handwriting *on all 15 lines*. See Numbered Petition Pages 107, 108, 134, 137, 182, 296, and 357.

2. The Nomination Papers are also full of examples of "round-tableing," a setup wherein one individual forges the signatures of several voters, then passes the petition page onto the next individual sitting at the same table to fraudulently sign several more lines, and so on. See e.g., Numbered Petition Pages 37, 71, 74, 88, 108, 113, 118, 127, 132, 139, 171, 181, 183, 184, 186, 225, 241, 342, 354, 365, 367, 384, 423. This representative sample alone contains 23 pages of the Nomination Papers, comprising 336 purported signatures, attested to by 13 separate circulators appear to be the product of round-tableing.

3. Footage from Facebook Live videos shows that Miles' campaign did not train circulators on the Election Code's requirements for gathering valid signatures.¹ The same Facebook Live video shows the campaign needed an influx of signatures in the final hours of petition circulation to get the minimum number of signatures needed to qualify for the ballot.² And the video shows that circulators were paid in cash on a per-signature basis to achieve this last-minute push.³
4. There was a total lack of accountability and quality control on the part of Miles and her campaign to identify and stop any fraud and false swearing. Two Facebook Live videos show circulators submitting petition pages to the campaign without swearing to those pages in front of a notary.⁴ See Objection ¶ 41. Elsewhere, evidence suggests voters signed petitions outside the presence of circulators. Objection ¶ 37. The Nomination Papers contain at least 90 instances of the same voter signing at least twice, including an individual whose signature appears in the Nomination Papers *nine* times. See Exhibit I for a list of voters whose signatures appear in the Nomination Papers at least three times. There's even a signature from a "John Doe" on a petition sheet that Miles' lead campaign organizer attested to. See Numbered Petition Page 321.

5. It appears there may even be an incident of false swearing by Beverly Miles. A Facebook Live video from March 12, 2022, shows Ms. Miles' lead organizer, Ziff Sistrunk, accepting five petition pages from an unidentified male circulator. Mr. Sistrunk holds up one of the pages from the male circulator so it is visible to the camera.⁵ That page can now be identified as numbered petition page 464 of the Nomination Papers based on a

But you only gave me one, two, three, four, five. And then I am going to give you the \$105 dollars, but you just still owe me two sheets.").

"See those five over there?" "What about them?" "That guy dropped them." "What guy?" "That owes us seven."); Ziff Sistrunk, Facebook Live (Mar. 12, 2022), at 26:34 <https://www.facebook.com/zsistrunk/videos/383093979937316> (showing petitions that were given to Mr. Sistrunk from unidentified male circulator).

8. For example, in a 2007 petition dispute, the Town of Cicero Municipal Officers Electoral Board (“Cicero Board”) struck *entire* nomination papers of two candidates because each candidate submitted a “large percentage of invalid signatures show[ing] that ‘those nominating petitions, *in the whole*, are tainted by a pattern of fraud, false swearing and a total disregard for the mandatory requirements of the Election Code.’” *Harmon*, 864 N.E.2d at 999 (emphasis added). In that instance, 22 percent of the signatures submitted by Candidate 1 were deemed invalid and 29 percent of Candidate 2’s signatures were deemed invalid.⁷ Relying on those “large percentage[s]”, the Cicero Board “struck all pages of signatures filed for both candidates.” *Id.* Without any signatures, neither candidate qualified for nomination.
9. In this case, **73 percent** of the signatures on the Nomination Papers are invalid. Of the 6,318 signatures contained on the Nomination Papers, at least 4,619 are invalid on grounds that the voters are not registered, the signatures are not valid, or there is insufficient legible information to verify the signature is genuine. *See* Objection ¶¶ 30, 33.
10. Indeed, a “pattern of disregard...casts a cloud over all sheets,” even if the evidence does not establish that every signature was improper. *See Cunningham v. Schaefflein*, 969 N.E.2d 861, 877 (Ill. App. Ct. 2012). In *Straughn v. Bembynista*, 14-EB-RES04 at 12, (Chi. Electoral Bd. 2014), the Chicago Electoral Board (“Chicago Board”) struck all petitions circulated by a candidate, even though some signatures were likely proper. In that instance, the candidate claimed he drove or scooted alongside as his assistants circulated petition sheets on his behalf. *Id.* at 4-5. Nineteen persons testified that they did not recall the candidate present when they signed the petition, yet the candidate submitted the affidavits of 40 persons attesting they signed petitions in his presence. *Id.* at 5. While the Chicago Board acknowledged it was possible the candidate properly circulated *some* of the petition sheets, the Chicago Board found that certain sheets were not signed in the candidate’s presence; therefore, a pattern of fraud, false swearing, and a total disregard for the mandatory requirements of the Election Code had been established and *all* petitions had to be struck. *Id.* at 9.
11. I object to the Nomination Papers in their entirety based on evidence of fraud and false swearing. The Board should strike all signatures on this basis.

⁷ According to the *Chicago Tribune*, the Cicero Board “accused [the candidates] of having tainted signatures that are either illegible or signed by voters who don’t live at a proper town address.” Joseph Ruzich, *Judge Asked to Look at Ouster from Ballot*, CHI. TRIB., Feb. 8, 2007, <https://www.chicagotribune.com/news/ct-xpm-2007-02-08-0702080143-story.html>.

II. At Minimum, the Board Should Reject All Signatures Obtained by Circulators Whose Petition Pages Contain Evidence of Fraud, False Swearing, and Total Disregard for the Requirements of the Election Code

A. A Pattern of Fraud and False Swearing by Circulator(s) Renders All Pages by that Circulator Invalid, and Past Circulator Behavior Can be Considered

12. One or more individual circulators can establish a pattern of fraud and false swearing, given their central role in the signature gathering process. *See, e.g., Harmon v. Town of Cicero Mun. Officers Electoral Bd.*, 864 N.E.2d 996 (Ill. App. Ct. 2007); *Huskey v. Mun. Officers Electoral Bd. for the Vill. of Oak Lawn*, 509 N.E.2d 555 (Ill. App. Ct. 1987); *Fortas v. Dixon*, 462 N.E.2d 615 (Ill. App. Ct. 1984). The requirements of the circulator – namely the affidavit and oath requirements – are “mandatory and must be strictly enforced, as it ensures the fairness and honesty of the entire election process.” *Canter v. Cook Cnty. Officers Electoral Bd.*, 523 N.E.2d 1299, 1302 (Ill. App. Ct. 1988). “The circulator’s affidavit is one of the primary safeguards against fraudulent nomination petitions...For this reason, ***a circulator’s false affidavit taints the entire sheet.***” *Huskey*, 509 N.W.2d at 557 (emphasis added) (internal citations omitted).
13. When “signature sheets of a nominating petition submitted by circulator evidence a pattern of fraud, false swearing, and total disregard for the requirements of the [Election] Code, ***the sheets circulated by that individual should be stricken in their entirety.***” *Crossman v. Bd. of Election Comm’rs of City of Chi.*, 966 N.E.2d 518, 521 (Ill. App. Ct. 2012) (emphasis added) (citing *Canter v. Cook Cnty. Officers Electoral Bd.*, 523 N.E.2d 1299 (Ill. App. Ct. 1988)).
14. For example, when a circulator allowed some individuals to sign the names of family members not currently present and when “at least half of the time” someone other than the circulator presented the petition sheet to signers, the appellate court found a pattern of disregard for mandatory requirements of the Election Code. *Huskey*, 509 N.E.2d 555. The court confirmed that the circulator’s false affidavit “taints the entire sheet” and those sheets were properly rejected by the electoral board. *Id.* At 557.
15. Similarly, when evidence was presented that (i) certain signatures listed on the petition sheets did not belong to the listed individuals, and (ii) a circulator signed the circulator affidavit even though he did not personally circulate the petition sheets but instead had others do it for him, the appellate court found a clear pattern of fraud, false swearing and disregard for the law and ordered those sheets to be stricken in their entirety. *Canter v. Cook Cnty. Officers Electoral Bd.*, 523 N.E.2d 1299 (Ill. App. Ct. 1988).
16. In the 2007 petition dispute discussed above, the Cicero Board struck pages of signatures based on the credibility of one circulator: Jose Alanis. The Cicero Board rejected signatures on all pages signed by Mr. Alanis in part because several affiants swore that a person *other than Mr. Alanis* obtained their signatures on the petitions. *Harmon*, 864 N.E.2d. at 1000-01. A comparison between signatures from the petitions and those in the voter registration records also suggested that some circulators “permitted a single individual to sign multiple lines of the petition with different names. The [Cicero] Board

found that the [signature] disparity... showed that the circulator for each such page of the petition acted at least in 'culpable ignorance of the truth...[with] conscious awareness of the falsity of those signatures.' On the basis of that finding, the [Cicero] Board struck all pages of the petition on which any such signature appeared." *Harmon*, 864 N.E.2d. at 1000-01. The appellate court agreed with the Cicero Board. *Id.*

17. The Board "cannot close its eyes and ears if evidence is relevant to the protection of the electoral process." *Fortas v. Dixon*, 462 N.E.2d 615, 618 (Ill. App. Ct. 1984). Accordingly, the Board may look to the findings of fact *in other cases* to determine whether a circulator engaged in a pattern of fraud. *Robinson v. Williams*, 08-EB-WC-16, at 2-3 (Chi. Electoral Bd. 2007). For example, in 2007, a candidate simultaneously ran for two separate offices and circulated her own petitions for each ballot. In order to get on the ballot for the General Assembly, the circulator/candidate submitted 120 signature pages to the Chicago Board. The Chicago Board concluded that the candidate/circulator "swore false affidavits in regard to 79 of the 120 sheets she allegedly circulated" – all sheets that were eventually rejected by the Chicago Board. *Kirk v. Williams*, 08-EB-RGA-21, at 24 (Chi. Electoral Bd. 2008). Relying on that record and decision by the Chicago Board, the hearing examiner in a separate matter regarding the candidate/circulator's run for Ward Committeeman, concluded that the finding of fact in the General Assembly matter "*could be and would be used* to support a finding of a pattern of fraud, false swearing and disregard for the requirements of the Election Code" in the 17th Ward matter. *Robinson v. Williams*, 08-EB-WC-16, at 2-3 (Chi. Electoral Bd. 2007) (emphasis added). Specifically, the hearing examiner in the 17th Ward matter took "judicial/administrative notice of the hearing examiner's findings of fact" from the General Assembly matter, resulting in the Chicago Board invalidating the nomination papers for the candidate/circulator. *Id.* at 3, 5.

B. Pages of the Nomination Papers Circulated by the Miles Campaign's Lead Organizer, Ziff Sistrunk, and Mr. Sistrunk's Associates Show a Pattern of Fraud and False Swearing and Should be Rejected

18. By Beverly Miles' own admission, she relied on Ziff Sistrunk more than any other individual to collect signatures for the Nomination Papers. As she stated, "I would not be in this position if it wasn't for Ziff."⁸
19. The petition pages Mr. Sistrunk personally circulated show a pattern of fraud and false swearing. For example, Mr. Sistrunk attested that all signatures on his pages were genuine when, in fact, several pages have evidence of "round-tabling." *See, e.g.*, Numbered Petition Pages 118, 384, and 403. Mr. Sistrunk also attested that a signature from "John Doe" was genuine. *See* Numbered Petition Page 321. Certain circulator affidavits bearing Mr. Sistrunk's name have plainly inconsistent handwriting, suggesting Mr. Sistrunk may not have circulated all petition pages he attested to.

20. Mr. Sistrunk further stated that he and his organization, Green Slate Institute for Justice, were responsible for collecting *at least 2,500 signatures* contained in the Nomination Papers.⁹ Mr. Sistrunk admitted he does not train his circulators on how to properly collect signatures under the Election Code, stating, “I have to blame me for one thing about my workers. I don’t train them. I put your a** right out there. [laughs] That’s bad and good.”¹⁰
21. Pursuant to the precedent described in Part II(A), I object to all signatures on all pages circulated by Mr. Sistrunk, as identified in Exhibit 2. In total, this objection includes 995 purported signatures.¹¹

¹¹ In 1992, the *Chicago Tribune* reported a story on Mr. Sistrunk that the Board may find relevant pursuant to its authority to consider a circulator’s prior behavior when reviewing these Objections. See discussion in Objection ¶ 17. According to the Tribune, Mr. Sistrunk was one of eight individuals charged with “bilking a non-profit organization out of more than \$42,000 by falsely claiming they had registered thousands of new voters.” *8 charged with bilking voter group*, CHI. TRIB., Apr. 29, 1992. Mr. Sistrunk was indicted for claiming he submitted 4,168 new registrations to a nonprofit called Chicago Voter Registration, earning one dollar for each registration. In fact, he only turned in 571 valid registrations. Richard Roeper, *Gadflies Gator, Ziff Hang with Bubba*, CHI. SUN-TIMES, Apr. 17, 1994.

C. The Board Should Reject Additional Petition Pages Containing Evidence of Fraud and False Swearing, Along with All Other Petition Pages Circulated by the Same Individuals

22. I object to all signatures on numbered petition page 296 on grounds that all 15 signatures were forged. Numbered petition page 296 was circulated by Elvin Clayborne. Pursuant to the precedent described in Part II(A) above, I object to all signatures on numbered petition pages 54, 107, 108, 294, 295, 479, and 481 which were also circulated by Elvin Clayborne. In total, this objection includes 119 purported signatures.
23. I object to all signatures on numbered petition page 134 on grounds that all 15 signatures were forged. Numbered petition page 134 was circulated by Shaundra English. Pursuant to the precedent described in Part II(A) above, I object to all signatures on numbered petition pages 132, 133, 265, 266, and 267 which were also circulated by Shaundra English. In total, this objection includes 83 purported signatures.
24. I object to all signatures on numbered petition page 137 on grounds that all 15 signatures were forged. Numbered petition page 137 was circulated by Jordan Miles. Pursuant to the precedent described in Part II(A) above, I object to all signatures on numbered petition pages 178, 179, 180, 181, 182, 183, 184, 185, 186, 241, 242, 243, 244, 245, 246, 247, 248, 249, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, and 382 which were also circulated by Jordan Miles. In total, this objection includes 416 purported signatures.
25. I object to all signatures on numbered petition page 412 on grounds that all 15 signatures were forged. Numbered petition page 412 was circulated by Wanda Sistrunk. Pursuant to the precedent described in Part II(A) above, I object to all signatures on numbered petition pages 415, 417, 419, 421, 423, 425, 427, 429, 431, 432, 434, 436, 438, 440, 442, 445, 447, 449 which were also circulated by Wanda Sistrunk. In total, this objection includes 285 purported signatures.
26. I object to all signatures on numbered petition page 126 on grounds that all 15 signatures appear forged. Numbered petition page 126 was circulated by Ella Mae Coleman. Pursuant to the precedent described in Part II(A) above, I object to all signatures on numbered petition pages 74, 113, 123, 124, and 125 which were also circulated by Ella Mae Coleman. In total, this objection includes 90 purported signatures.
27. I object to all signatures on numbered petition page 71 on grounds that the signatures appear to be forged, specifically lines 11-15 appear to be written by the same person. Numbered petition page 71 was circulated by Jesse Brandon. Pursuant to the precedent described in Part II(A) above, I object to all signatures on numbered petition pages 19, 20, 71, 164, 201, 205, 207, 212, 228, 240, 287, 292, 297, 309, 318, 333, 343, 346, 344, 346, 348, 349, 355, 356, 357, 358, 361, 372, 373, 393, 394, 395, 401, and 446 which were also circulated by Jesse Brandon. In total, this objection includes 451 purported signatures.

III. At Minimum, Signatures that Fail to Meet Basic Statutory Requirements Must be Invalidated, Leaving Miles and Shaw with Insufficient Signatures from Qualified Electors to Gain Access to the Primary Election Ballot

28. To be placed on the ballot for the Democratic Party, candidates must submit signatures from at least 3,250 qualified primary electors of the Democratic Party; a circulator must certify that all qualified primary electors signed “in his or her presence;” and a notary must witness circulators attest to each page. *See id.* 5/7-10, 5/2A-1.1b. These requirements are meant to prevent voters from being overwhelmed by limiting access to the ballot to “a relatively small number of candidates who have demonstrated initiative and at least a minimal appeal to eligible voters.” *Salgado v. Marquez*, 828 N.E.2d 805, 811 (Ill. App. Ct. 2005).

A. The Board Must Reject Signatures by Signers Who are Not Qualified Primary Electors in Illinois at the Address Provided

29. Candidates who do not submit signatures from at least 3,250 qualified primary electors cannot be placed on the primary ballot. A “qualified primary elector” is “a person who is registered to vote at the address shown opposite his signature on the petition” 10 ILCS 5/3-1.2. It’s not enough that the signer is registered to vote in Illinois. Rather, the “person who signs a nominating petition *must be registered to vote at the residence address set forth on the nominating petition.*” *Greene v. Bd. of Election Comm’s of City of Chi.*, 445 N.E.2d 1337, 1342 (Ill. App. Ct. 1983) (emphasis included)

30. The Nomination Papers do not meet this requirement. Miles and Shaw submitted, at most, 1,699 qualifying signatures. In total, 3,102 lines on the Nominating Papers are invalid because the signers are not registered voters or are not registered at the address provided. Additionally, 838 signers have insufficient legible information to confirm the signer is registered to vote at all.

31. “[I]f a signature on a nominating petition is so illegible or unreadable so as to make it impossible for either an objector or the [Chicago] Board to make a valid comparison with a voter registration record, the electoral board system designed to protect the integrity of the petition process becomes thwarted.” *Feierstein v. Phelan*, 12-EB-WC-03 at 4 (Chi. Electoral Bd. 2012). Here, a review of the petition sheets reveals at least 3,940 signatures that could not be matched to Illinois voter registration records for any voter at the address provided next to that signature. Indeed, the Board should not be “forced to presume that the signature is valid simply because it is illegible. [...] Otherwise, bad penmanship may be rewarded if it becomes impossible to discern who signed unintelligible scrawl on the petition sheet.” *Id.*

32. Nomination Papers must also include “genuine” signatures. 10 ILCS 5/7-10. Courts permit objections on the basis that signatures are not genuine or are forgeries. *See Muldrow v. Barron*, 2021 WL 1853392 at fn 6 (Ill. App. Ct. 2021). Records examiners have the obligation to sustain objections to signatures they determine are not genuine. 2022 Draft Rules of Procedure, Ill. State Bd. of Elections at B-1.

33. The full list of specific signatures I object to on grounds the signer: could not be verified because their information was illegible; is not a registered qualified elector; is not registered at the address they indicated on the petition; or provided a signature that did not match the voter registration record and is therefore not genuine is attached as Exhibit 3. Based on these objections alone, the Board must reject the Nomination Papers for not having the required number of signatures from qualified electors.

B. The Board Must Reject Nomination Papers That the Circulator Did Not Personally Witness

34. Circulators must certify that each person signed “in his or her presence.” See 10 ILCS 5/3-1.2. The circulator “must personally witness all signatures given.” 2022 Candidate Guide at 10. This certification is “a meaningful and realistic method of eliminating fraudulent signatures and protecting the integrity of the political process.” *Sakonyi v. Lindsey*, 34 N.E.2d 444, 447 (Ill. App. Ct. 1994).
35. “[A] signature is made in the petition circulator’s presence when he or she had ample opportunity to see the signature being made.” *People v. McCulloch*, 936 N.E. 2d 743, 747 (Ill. App. Ct. 2010). Thus, a circulator cannot leave nominating papers with another person or in another location while voters are signing the form. For example, a circulator was not “present” when she obtained signatures in another part of an apartment building and was not in the area when the papers were signed. See *Kerpsack v. Simmons*, 04-EB-WC-75, at 3 (Chi. Electoral Bd. 2004). Likewise, a circulator was not “present” when waiting in a van while others collected signatures on both sides of the street the van. *People v. McCulloch*, 936 N.E. 2d 743, 746 (Ill. App. Ct. 2010).
36. The Nomination Papers appear to include signatures where the circulator was not present. As explained above, the circulators in this matter were not trained on the requirement to personally witness each signature. See Objection ¶ 20. A lack of training dramatically increases the likelihood that circulators left petition pages unattended while voters signed those pages.
37. Some petition sheets are so rife with errors that even an untrained circulator would have corrected the voters making those errors if the circulator was present when the voters were signing the sheet. See, e.g., Numbered Petition Pages 296, 412, 427, 473, 474, and 482.

Miles Petition, Numbered Petition Page 427

38. Based on this evidence, I object to all signatures that the Board may find were not signed in the presence of a circulator.

C. The Board Must Reject Nomination Papers That Were Not Sworn Before a Notary or other Office Authorized to Administer Oaths in the State

39. The circulator's affidavit at the bottom of each petition page "shall be sworn to before some officer authorized to administer oaths in this State." 10 ILCS 5/7-10. The requirement is "mandatory and not directory." *Bowe v. Chi. Electoral Bd.*, 404 N.E.2d 180, 180 (Ill. 1980). A petition page is invalid if its circulator did not personally appear before a notary. *Id.* at 180-81.

40. Courts can invalidate every sheet by a circulator if there is evidence that some papers were notarized without the circulator present. *Cunningham v. Schaefflein*, N.E.2d 861, 877 (Ill. App. Ct. 2012) (invalidating all pages from two circulators who testified that they appeared before a notary a couple of times but then regularly "just handed them in" and finding that the "pervasive and cavalier disregard for the Election Code's mandatory requirement that circulators swear their petition sheets before a notary threatened the integrity of the electoral process."). *Id.* at 874, 75, 77).

41. Two separate Facebook Live videos posted by Mr. Sistrunk show the campaign taking possession of or already in possession of completed petition pages with no notary present.¹²
42. Based on this evidence that some circulators of the Nomination Papers did not personally appear before a notary, I object to all such numbered petition pages that the Board's investigation may identify.

WHEREFORE, the Objector requests a) a hearing on the objections set forth herein; b) an examination by the aforesaid Electoral Board of the official records relating to the voters in the State of Illinois, to the extent that such examination is pertinent to any of the matters alleged herein; c) a ruling that the Nomination Papers filed on behalf of Beverly Miles and Karla Shaw are insufficient as a matter of law and fact; and d) a ruling that the names of Beverly Miles and Karla Shaw shall not appear and not be printed on the ballot for election to the offices of Governor and Lieutenant Governor of the State of Illinois to be voted for at the Primary Election on June 28, 2022.
