Help Prevent Identity Theft

Securely destroy sensitive information.
Stay cautious. Stay safe.

Don't forget to bring your unused technology to declutter and recycle!

Got old tech at work? Help us turn it into opportunity. Refer your company's IT and Community Engagement Leaders to Compudopt!

Compudopt is transforming your e-waste into opportunity. Join us in creating a cleaner environment and stronger community. Compudopt will collect, securely sanitize all data-bearing equipment, refurbish or responsibly recycle your unused technology while reducing landfill waste, and directly supporting community members in need. *The items we accept are below:*

Laptops

Desktops

Keyboards

Mice

Monitors

Tablets

Cell Phones

Components

Networking

We are not accepting CRT monitors or household appliances, we will accept 1 tv per vehicle.
