Networking to inform business and professionals of career opportunities in Broadcasting (#11)

Employment Unit is a member of 5 Leads Groups. Most of the Leads Groups meet on a weekly basis with some meeting on a twice monthly basis.

The basic structure of all the groups consist of a 30 second intro and description of what is a good lead for that business. Each member must make a presentation about their business. The number of presentations per year vary with each group. Attendance and leads are recorded and there is a set criterion for each group as to what is required. Tips and referrals are also shared with members which many times consist of recruitment efforts. Each Leads Group is attended by a different staff member
