SUBJECT: An Ordinance Repealing Ordinance No. 2010-10, An Ordinance Authorizing The Execution Of An Intergovernmental Agreement Between The City Of Plano, Kendall County, Illinois And The Plano Community Unit School District #88 And Plano Youth Athletic Association

PURPOSE

Pass the Ordinance Repealing Ordinance No. 2010-10, An Ordinance Authorizing The Execution Of An Intergovernmental Agreement Between The City Of Plano, Kendall County, Illinois And The Plano Community Unit School District #88 And Plano Youth Athletic Association.

BACKGROUND

The Constitution of the State of Illinois of 1970, Article VII, Section 10, and the Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq., authorizes units of local government and school districts to contract or otherwise associate amongst themselves to obtain or share services and to exercise, combine, or transfer any power or function in any manner not prohibited by law. In 2012, the City of Plano, Plano Community Unit School District #88 and Plano Youth Athletic Association entered into an Intergovernmental Agreement (the “IGA”) relating to the improvement to and use of athletic fields. The Plano Youth Athletic Association, although noted not to be a unit of local government, nevertheless was a signatory on the IGA and agreed to provide labor and materials from time to time. A copy of the 2012 IGA between the City of Plano, Plano Community Unit School District #88 and Plano Youth Athletic Association, and the associated City of Plano Ordinance authorizing execution of the IGA, are attached for reference.

In 2012, the land immediately west of the Plano Community Unit School District #88 (“School District”) football field (also known as Reaper Stadium) was vacant. The City of Plano (“City”) agreed, through the terms in the IGA, in cooperation with the school District, to participate in the construction and maintenance of athletic facilities, including baseball fields, on the vacant property. The City also agreed to provide labor and materials for the improvements to the vacant property and to pay a portion of the costs association with the construction of new baseball fields on the vacant property. Thereafter, baseball fields were constructed on the vacant property.

The Plano Youth Athletic Association has dissolved; in 2023, the Plano Youth Organization formed and continues to meet.

DISCUSSION

Currently, the School District provides maintenance to the baseball fields, including lawn mowing and garbage collection. The City does not participate in providing limited maintenance to the baseball fields. Furthermore, there have been no activities stemming from the IGA coordinated and approved through the City's designated representative, the Parks Committee of the City Council, in many years. The original purpose of the IGA (construction of new baseballs fields) is no longer essential or necessary. That said, the City continues to cooperate with implementation and coordination of athletic events and utilization of School District and City property for athletic events and to coordinate use of its facilities, provide athletic opportunities on its property, cooperate with the Plano Youth Athletic Association, and maintain appropriate insurance. As set forth in paragraph 12 of the IGA, each of the parties hereto shall have the right, upon not less than ninety (90) days written notice to the other, to terminate this Agreement. At the January 26, 2026 Committee of the Whole meeting, the item received a favorable recommendation and the matter was moved to the full City Council.

RECOMMENDATION

It is recommended that the Council pass the Ordinance Repealing Ordinance No. 2010-10, An Ordinance Authorizing The Execution Of An Intergovernmental Agreement Between The City Of Plano, Kendall County, Illinois And The Plano Community Unit School District #88 And Plano Youth Athletic Association.

Respectfully submitted

SUBJECT: Resolution Approving And Authorizing The Execution Of A Contract With Accredited Data Centers (ADC) To Purchase A New Server In The Amount Of \$30,958.00 (Thirty Thousand, Nine Hundred Fifty-Eight Dollars And 00/100 Cents) For The Police Department.

PURPOSE

Pass a Resolution Approving And Authorizing The Execution Of A Contract With Accredited Data Centers (ADC) To Purchase A New Server In The Amount Of \$30,958.00 (Thirty Thousand, Nine Hundred Fifty-Eight Dollars And 00/100 Cents) For The Police Department.

BACKGROUND

Over the last month, the physical server at the Plano Police Department has reached full storage capacity. Due to the severity of this issue, a meeting was set up with our IT representative to discuss the issue and possible solutions. At the end of the discussion, our IT representative indicated that the matter was urgent and a new server needed to be purchased to maintain continuity of operations.

DISCUSSION

Due to the current issues with the physical server at the police department, our primary IT representative from ADC was consulted and it was stated a new server should be purchased. The current server has reached its full storage capacity. Additionally, it is out of warranty and replacement parts are a concern. Storage redundancy has been compromised; one 3.5TB drive is operating without redundancy, one 500GB backup drive is in an error state, and one 500GB drive is in a foreign state.

There are also multiple operating system lifecycle concerns. Windows server 2016 reached the end of mainstream support on 1/11/2022. Windows server 2019 reached the end of mainstream support on 1/9/2024. Windows 10 reached the end of mainstream support on 10/14/2025.

Due to the urgent concerns, a new server should be purchased as soon as possible. The proposed server could arrive by the end of February if authorization is provided to finalize this purchase.

The lifespan of the new server would range between 5-10 years. This is not a budgeted item this fiscal year but the exigency of the situation has sped up the request.

INCORPORATION BY REFERENCE

Included in this request is a quote from Accredited Data Centers.

RECOMMENDATION

It is recommended that the City Council pass the Resolution Approving And Authorizing The Execution Of A Contract With Accredited Data Centers (ADC) To Purchase A New Server In The Amount Of \$30,958.00 (Thirty Thousand, Nine Hundred Fifty-Eight Dollars And 00/100 Cents) For The Police Department.

SUBJECT: Resolution Approving The Preliminary Plat Of Resubdivision For Lot 3 In Gjovik Ford Park Subdivision And A Resolution Authorizing Execution Of A First Amended Planned Unit Development Agreement By And Between The City Of Plano, Illinois And N.A. Townhomes LLC & N.A. Apartments LLC

PURPOSE

Pass a Resolution Approving The Preliminary Plat Of Resubdivision For Lot 3 In Gjovik Ford Park Subdivision and Pass a Resolution Authorizing Execution Of A First Amended Planned Unit Development Agreement By And Between The City Of Plano, Illinois And N.A. Townhomes LLC & N.A. Apartments LLC.

BACKGROUND

GC Investment Properties, Inc., an Illinois Corporation, Gjovik Ford Inc., an Illinois Corporation and the City of Plano, Illinois, an Illinois Municipal Corporation, entered into a Planned Unit Development Agreement on or about July 8, 2019 ("initial Gjovik PUD"). The initial Gjovik PUD agreement included a preliminary plat with three (3) buildable lots, ability of phased construction and approved phase I construction of the Ford Dealership on lot 1. Phase I construction of the Ford dealership was completed in 2020. Pursuant to Paragraph 5.1, Phasing, of the Initial Gjovik PUD, GC Investment Properties, Inc, has the right to subdivide and develop the Property in phases. The new owner, Todd O'Reilly, (Tera Ford Inc., successor to Gjovik Ford Inc.) is asking for approval of an amendment to the initial Gjovik PUD to include a re-subdivision of Lot 3 into Lot 3 and Lot 4 and phase II construction of three (3) multi-family residential buildings on proposed new Lot 4.

On December 1, 2025 a proposal was presented to the City of Plano Planning and Zoning Commission by Dylan Fuller of Global Power & Construction, representing the Owner. The proposal included the following documents (which are also included for your review):

- Preliminary Plat of Subdivision
- Preliminary Site plan
- Landscape plan
- Lighting plan
- Elevations and
- Floor plans

Our City Attorney, Karl Otteson, was also present at the Planning and Zoning Commission meeting to answer questions. The Plan Commission unanimously agreed on a positive recommendation of phase II construction to the City Council, with a stipulation that the appropriate building code maximum occupancy provisions are in place and enforced. To address this concern, a Proposed Occupant Load has been created and included in the submittal.

DISCUSSION

Included are all required documents for your consideration of this proposal as follows:

- Preliminary Plat of Subdivision (1 page)
- Preliminary Site Plan (1 page)
- Preliminary Grading Plan (1 page)
- Preliminary Utility Plan (1 page)
- Preliminary Earthwork Summary (1 pages)
- Landscape Plan (2 pages)
- Exterior Lighting Plan (3 pages)
- Building Rendering Diagram (1 page)
- Proposed Occupant Load (1 page)
- Elevations (2 pages)
- Ground Floor Plan (1 page)
- Second Floor Plan (1 page)
- Third Floor Plan (1 page)
- Roof Plan (1 page)
- Typical Floor Plan (1 page)

Because the entire development was approved as a Planned Unit Development (initial Gjovik PUD), certain modifications from the City's Code of Ordinances are allowed for future development. The initial Gjovik PUD did not include Code modifications for multi-family residential buildings, so a *First Amended Planned Unit Development Agreement* is required. The following are the requested modifications as set forth in the First Amended Planned Unit Development Agreement:

- a. Title 5 Chapter 6G Section 4, Site And Structure Requirements, subsection A.2 (all multiple-family structures shall be located on a lot which provides the following minimum land area per dwelling unit: 1 bedroom: Minimum Lot Area Per Dwelling Unit In Square Feet - 4,000; Efficiency: Minimum Lot Area Per Dwelling Unit In Square Feet - 3,300). As proposed, the lot size for not more than one hundred one (101) dwelling units (42 one (1) bedroom dwelling units and 59 efficiency dwelling units) would be at least 362,700 square feet. It is requested that the minimum lot area for the property shall be not less than 200,000 square feet.
- b. Title 5 Chapter 6G Section 4, Site And Structure Requirements, subsection D.2 (Maximum Building Height - all other dwelling types, not more than two and one-half (2 ½) stories or twenty five feet (25'), whichever is lower). It is requested that the maximum building height for the Structures shall be not more than three (3) stories or 41 feet.

- c. Title 5, Chapter 15, Section 4, Sight Design Standards, subsection C.4.a.(2) (Apartment Buildings - Apartment structures shall not contain less than one hundred percent (100%) face brick or stone on the front elevation and no less than seventy five percent (75%) face brick or stone on the rear or side elevations). It is requested that the Structures will contain not less than 5% face brick or stone on the front elevation and not less than 5% face brick or stone on the rear or side elevations
- d. Title 5, Chapter 15, Section 4, Sight Design Standards, subsection C.4.a.(3) (Front Entryway Features - To infuse a denser multi-family development with small scale features that are similar to low density development, multi-family dwellings shall incorporate three (3) of the following architectural features in the front entryway façade). It is requested that the Structures shall incorporate not less than two (2) of the architectural features in the front entryway façade (projecting window bays and offsets in the facade) as set forth in Title 5, Chapter 15, Section 4, subsection C.4.a.(3).

Except as modified in the First Amended Planned Unit Development Agreement, the terms and conditions of the initial Gjovik PUD shall be and remain in full force and effect. A copy of the initial Gjovik PUD is also attached for your consideration.

Thereafter, prior to any development taking place on the Property, as depicted on the Preliminary Plat of Resubdivision, Final Plat must be approved in accordance with the City Zoning Ordinances. Furthermore, any Final Plat required under the Plano Subdivision Regulations shall conform substantially to the Preliminary Plat Of Resubdivision, the requirements of the City Zoning Ordinance and the City Subdivision Ordinance.

EDITS TO THE FIRST AMENDED PUD AGREEMENT

Notable amendments to the First Amended Planned Unit Development Agreement since the January 12, 2026 Committee of the Whole meeting are summarized as follows:

- Clarifying the property subject to the First Amended Planned Unit Development Agreement (adding language that development of PINs 01-24-300-034 and 01-25-100-016 are subject to the terms of this First Amended Planned Unit Development Agreement).
- Clarifying that Lot 3 from the 2019 Preliminary PUD Site Plan is being resubdivided into Lot 3 and Lot 4; the "new" Lot 4 has the contemplated use to build and operate three (3) multi-family residential buildings.
- The nineteen (19) pages of attachments are referenced and incorporated into the First Amended Planned Unit Development Agreement.

- Removal of the “proposed building” lines and the associated parking lot lines on Lot 3 from the Preliminary Site Plan, Preliminary Utility Plan, Preliminary Grading Plan and Preliminary Earthworks Summary.
- In paragraph 8, add the following italics/bold language: ***The Owner may construct the Structures in phases. Owner shall construct the entire parking lot prior to issuance of a City of Plano occupancy permit. In the event Owner constructs the Structures in phases, the footprints of the remaining unbuilt Structures shall be stabilized green space; a soil condition (physical, chemical, and biological properties of soil) that permit the growth of grass (green space) and not in a condition containing visible gravel and rocks.***
- Add the proper parties in paragraph 11, Notice.

In addition, twenty-one (21) photographs are attached. The matter appeared before the Committee of the Whole on January 26, 2026 and received a favorable recommendation.

RECOMMENDATION

It is recommended that the City Council pass a Resolution Approving The Preliminary Plat Of Resubdivision For Lot 3 In Gjovik Ford Park Subdivision and pass a Resolution Authorizing Execution Of A First Amended Planned Unit Development Agreement By And Between The City Of Plano, Illinois And N.A. Townhomes LLC & N.A. Apartments LLC.
