**Activity Level** - To help evaluate if a tour is right for you, Holiday Vacations has designed a rating system that identifies a tour's average activity level.

**LEISURELY ACTIVITY LEVEL** ○ ● ○ ○ ○ ○  
Activity levels have five ranks ranging from "Relaxing" to "Active". On a tour rated "Relaxing," expect to climb some stairs, navigate slight slopes, stand for reasonable periods of time, and walk over relatively level conditions. On a tour rated "Active", expect a high activity level with challenging conditions, lots of walking, uneven surfaces, and possibly high altitudes. Holiday Vacations guests must be able to navigate airports with their own luggage. Airport personnel can provide wheelchair assistance upon request. Guests must also be able to handle their own carry-on bags on airplanes, on and off motorcoaches, and to and from hotel rooms. Checked luggage will be delivered to and from guests' hotel rooms on their behalf. If a guest requires mobility assistance, they must be accompanied by an able companion who is totally responsible for providing the guest's necessary assistance. Holiday Vacations does not provide personal attendant services. All activity level ratings are relative to each guest's individual levels of fitness and mobility.
