Nathan,

Since I took office in January 2023 several people have brought a letter to my office from “Local Records Office” located at 133 W Market Street, STE #239, Indianapolis, IN 46204-2801, asking if the letter was legitimate. The letter states that they will provide you with a copy of the only document that identifies you as the property owner by a recently recorded transferred title on the property for a fee of \$109.50.

I wanted the public to be aware that the service the letter states it provides is available at your local Recorders office for free, or a nominal fee.

Thank you for bringing this to the public’s attention.

Kelley K. Hopwood
Knox County Recorder
