

HOP DROP 'N ROLL IPA

WEST COAST STYLE INDIA PALE ALE

WORLD BEER CUP GOLD - 2014 AMERICAN IPA

Hops in your face. Crisp, mouthwatering, American citrus forward hops dominate for an ideal IPA character. It's hopped before, during, and after the boil with late boil additions of Citra and Amarillo for a complex flavor profile. The rich, golden color comes from a blend of English and American base malts accented with substantial amounts of Vienna and Wheat malts. This is the beer that started it all for NoDa Brewing Company.
