

# Dermatology Care from People Who Excel at It

As we say goodbye and best wishes to Mohs Surgeon Chetan Vedvyas, MD, FAAD, FACMS, who will be departing from our Punta Gorda location January 26, 2026, we want you to know our priority is to ensure your care continues seamlessly during this transition.

Mohs Surgeon Dr. Michael Roberts and our team of highly skilled dermatology providers are accepting new patients and are available to support your ongoing needs. They will have full access to your medical history and treatment plan to ensure you continue to receive the care you deserve.

We thank our existing patients for trusting us with your care, and invite new patients interested in the same level of excellence and personalized attention to see us for all your medical or cosmetic dermatologic treatments, and advanced skin cancer care.
