## Try Men's Liberty™ — the Medicare-covered healthier alternative that helps end embarrassment and fear of an "accident".

No guy ever plans for urinary incontinence. It's degrading, uncomfortable and inconvenient. Regardless of the cause, chances are you (or a loved one) were told to wear adult diapers to manage the condition. But you soon discovered that the hassles of diapers disrupt everyday life: they're unsanitary... expensive... and humiliating.

### Now diapers don't have to get in your way.

Men's Liberty is the simple, non-invasive option for male urinary incontinence that helps keep you secure, dry and leak-free for up to 24 hours. Made of a safe, skin-friendly material called hydrocolloid, this patented external collection device easily attaches to the tip of a man's anatomy. It softly stretches and flexes as you move, directing urine away from the skin. Unlike diapers, Men's Liberty effectively reduces the risk of skin and urinary tract infections. Best of all, it's discreet, dependable and dignified.
