Public Infrastructure Improvements

Kolter Proposal

- Kolter is under contract with Lost Lagoon to purchase the piece they own.
- They have submitted a proposal to take over the contract and the developer's agreement with amendments and take down the remainder of the land from the county.
- Approval from the Board to execute an amendment to the PSA and developers' agreement (DA) would be needed
- The Board would also hear modifications to the existing PD which would go through the regular PD process through Community Development.
- A proposed fifth amendment to the agreement of purchase and sale is attached.

Kolter Proposal cont.

 - Estimated value of clearing alone @ \$100,000 per acre \$2,000,000
- If the Public Infrastructure Improvements are not completed by Kolter within 48

 County ensuring completion by that deadline, County shall have the option, to be
 exercised by written demand to require Kolter to convey title to the portion of the
